FOREWORD

I am very delighted to present the Annual Report of our University for the year 2021-22. Over 42 years, Mangalore University has grown in stature and is recognized as one of the premier Universities in the country.

Our University has been known for its commitment to teaching, research, conducting academic programmes and examinations as per schedule. We have the Credit Based Semester System at the undergraduate and the Choice Based Credit System at the postgraduate level. The admission of Research Scholars and foreign students for Ph.D. and P.G. programmes on the campus has increased considerably due to several academic and administrative initiatives taken in recent years.

Our teaching faculty have rendered themselves creditably in their teaching and research activities. Year by year, the H-index of the University is steadily progressing and currently it is 82 that clearly shows research output rendered by our faculty members and research scholars. The research programmes are strengthened through the Research, Development, Consultancy and Patent Cell (RDCPC). The University has introduced several welfare programmes for SC/ST students under SCP-TSP grants sanctioned by the Government. The University has appointed leading academicians from India and abroad as Adjunct Professors, to make use of their knowledge and expertise for further excellence. Further, Visiting Professors, Guest Lecturers and temporary non-teaching staff were appointed on need basis for the smooth functioning of the university. Guest lecturers have been selected based on their merits, experience and academic excellence following the principle of social justice to all communities. I am happy to note that many of our guest lecturers are NET or K-SET qualified and some of them are Ph.D holders.

The basic facilities available on the campus include Administrative building, Faculty Buildings, Library, Men's, Women's and Working women's hostels, Staff Quarters, Guest Houses, Mangala Auditorium, well-equipped health centre, sports facilities including gymnasium, indoor stadium and play grounds with 400 mtr. track. The University has its own water supply arrangement on the campus including harvested rainwater. Other facilities like Banking, Cyber Café, Inflibnet and Postal services are available on the campus. CCTV surveillance systems that have been installed on the campus and constituent colleges are very helpful to monitor the activities on the campus. We have given much importance to implement environmental-friendly systems, including installation of solar water heaters, solar-energy powered street lights and replacement of CFL bulbs with LED lighting.

Mangalore University has WiFi connectivity on the campus which is very useful for eGovernance. e-office has been used for effectively implementing file mangement system provided by the Govt. of

Karnataka. Information Kiosks and Digital Signage boards installed on the campus and constituent colleges have enabled students and general public to get informaiton and have an online access to the meetings and programmes conducted by the University. The library has 2,20,426 books and subscription to over 305 periodicals, Online Journals/databases (06), Online Bibliographical database (02) and more than 15,000 online journals from UGC-INFONET and around 45,000 online journals from J-gate Database.

The University has advanced science research facilities, viz., Microtron Centre, Centre for Application of Radioisotopes and Radiation Technology (CARRT), Promotion of University Research and Scientific Excellence (PURSE), Centre for Advanced Research in Environment Radio Activity (CARER) and others.

The University maintains a close liaison with the public of the coastal region and Kodagu through various outreach programmes including University-Industry interaction, extension activities through School adoption programme, Mangala Yojane (Village adoption programme), Prasaranga, NSS and various Endowment Chairs and Study Centres.

The University provides scholarships for meritorious students. There are other endowment scholarships also for the economically weak meritorious students. Mangalore University has contributed in developing sports in the state through the affiliated colleges. At the Inter-University level, we have produced more than 100 national level sportspersons who have brought laurels to the country. The University has introduced sports scholarships for talented sports persons. Incentives for Inter-University new record creators and incentives for All-India Inter-University medalists are given every year.

We have taken all efforts to develop the P.G. Centre at Chikka Aluvara, Kushalnagara. We have established the First Grade College at Mangalagangotri to cater to the higher educational needs of the people of the region and also started the Evening College at University College, Mangaluru to help the economically weak students to continue their studies while pursuing their career. Our constituent colleges namely University College, Mangaluru and Field Marshal K.M. Cariappa College, Madikeri are recognized by the U.G.C. as College with Potential for Excellence (CPE) for five years. University College, Mangaluru has been considered under the scheme of Special Heritage status and received a special grant of Rs.183.00 lakhs from the UGC for restoration of Ravindra Kala Bhavana.

The University provides a safe and peaceful environment that is conducive to learning with the active support of students, faculty, administrative staff, and the various authorities.

Prof. P. Subrahmanya Yadapadithaya
Vice Chancellor

2. University Authorities:

a. *Strengths, Weaknesses, Opportunities and Challenges (SWOC) analyses made and action taken:*

❖ **Strengths:**

- Excellent research facilities developed through funding from DST – PURSE, DST-FIST, UGC- SAP, DAE – BRNS, NPCL, AERB, DST-SERB, ICMR, KSCST, DBT, ICSSR,etc.,
- Exposure of faculty to international laboratories/research centres through various International fellowships and MOU's
- Well developed, spacious library with ICT and e-resources facilities.
- Computer Centre with mail, web and application servers.

- Sports facilities like gymnasium, indoor stadium, play grounds, outdoor stadium with 400 metres track.
- Directorate of correspondence to provide higher educational facilities for already registred students.
- Training of SC/ST/OBC students for competitive examinations, such as UGC/CSIR/CIVIL SERVICE/ICAS, etc.
- Prasaranga, study centres and peetas are engaged in spreading knowledge to the society and researching on the issues/ problems related to culture, women, weaker sections of the society, etc.
- Extension of consultancy services.
- Promptness in administrative procedures.

❖ **Weaknesses:**

- Inadequate teaching and non-teaching staff.
- Limited grants for cutting edge research.
- Inadequacy of resources to introduce ambitious academic programs.

❖ **Opportunities:**

- The University has already initiated industry interactions for the academic programs and placements which will be helpful in developing the partnership with industries.
- Syllabi of many courses are framed in consultation with industries which provide job opportunities to our students.
- University has National facilities for research which can be extended to other institutions and Universities for collaborative research.
- Various coordinated research programs, Faculty exchange programs with foreign Universities to facilitate frontline research activities. This makes provision for sharing of intellectual properties.
- Exploration of research potentials to generate revenues in the form of strategic consultancy.
- The location of the University in the foot hills of the Western Ghats and Coastal Region provides a great opportunity to research on Biodiversity and Conservation.
- The scope for extension of consultancy services.
- Faculty exposure to international laboratories/institutions will be useful to take up high end research and teaching.

❖ **Challenges:**

- No recruitments of teaching and non-teaching staff has taken place for the past ten years.

- Limited financial support from State / Central Governments.
- Increased privatization of higher education.
- Entry of foreign universities to higher education.

b. Short term and long term perspective plans- administrative measures taken, Training to the non-teaching staff:

- To increase the ability of the University to realize the potentiality to compete with institutions of excellence at the global level.
- To enhance the quality of teaching-learning process.
- To increase the access to higher education for the socio-economically backward, SC/ST/ OBC community people.
- To increase the enrolment ratio in the University.
- To promote, acquire and access a cutting edge technical know –how/skills for the improvement of research ability of the scholars in the University.
- To enhance the employability of the students through value added education.
- To expand existing and to create additional Physical, Academic and Research infrastructure to increase the enrolment.
- To enhance the consultancy activities to generate revenues.

c. Administrative and academic reforms ushered in – based on NAAC Peer Team recommendations and Administrative and Academic Audit (AAA) Committee reports (copies of recommendations/reports may be annexed):

The NAAC committee report and AAA reports

- Efforts are being made to provide academic autonomy and the faculty members are encouraged to participate actively in academic activities such as conference organization, participation and also to execute R&D projects of national importance.
- University is making prompt efforts for appointing qualified faculty where there is an acute shortage. Eminent scholars working in industry/abroad/institutes of national importance are given invitations to work as Adjunct Professors and thereby creating a conducive environment for academic growth of student community
- The teaching and non-teaching staff were given training on IT related concepts so that it is useful to adopt e-governance in the university administration.
- Efforts are being made to reduce the surplus generation of materials.

- The research policy is developed to address the issues related to utilization of equipment available in central facilities
- Adoption of e-governance in the administration is taking up swiftly.
- Chairs are made active by providing financial support from the university to organize events and as well as to carry out research works.
- Efforts are being to have green audit and university has got 3rd place at all India level during 2018-19, 2nd place during 2019-20 and 1st place during 2021-22.
- The incubation center is established with the support of IBM, Bangalore and efforts are being made to provide knowledge in the recent fields such as Internet of Things, Artificial Intelligence, Machine Learning, Business Intelligence etc.

d. Administrative measures for networking and development of PG centers/additional campuses, on par with main campus:

- Jnana Kaveri Post Graduate Centre of Mangalore University is situated in Chikka Aluvara, Somawarpet Taluk, Kodagu district. Director is appointed to liaison with the main campus.
- Video conferencing facilty has been created in order to have day to day interaction and surveillance system is developed to monitor the activities
- Many PG programmes were started considering the current demand and based on the job opportunities.

e. Promotion of impact driven and socially relevant research (Ph.D. topics, projects proposed to funding agencies, research publications, inter-disciplinary research and extension) activities:

Under different faculties, our university has focused on diversified research areas which are socially relevant to the Mangalore University region and also to promote interdisciplinary research works. The research work envisage carrying out research of international standard on some of the frontier areas considering the geographical and social needs in the interest of the region in particular, and state and nation at large. The following aspects will cover the core areas of research.

- **Thriving Marine economy and ecosystem:** The coastal region in which the University is located hosts the state's only major port and has a thriving marine economy, and marine resources constitute major chunk of region's revenue and employment base. Considering the significance of sea, Mangalore University has long back established the Department of Marine Geology, adding now the Departments of Geography and Geo-Informatics. Coastal regulation act, erosion of the coast and its impact, pollution at sea and coast, quality and related issues of water flow into the sea are just some of the areas of research in the University that now could be based for global knowledge linkages.

- **Indian Ocean Studies:** Being in the southern tip of India, Mangalore University is ideally located for Indian Ocean Studies. Indian Ocean has increasingly acquired commercial and

security significance and in the background of increased foreign power's presence, this study has become important. Increased piracy, large cargo and oil movements, pollution related issues, cooperative structures among Indian Ocean Rim countries, Sagar Kavacha initiatives of Indian government, instability and turmoil in the Island countries of Indian ocean and military bases of foreign powers have made Indian ocean an extremely important area and has drawn the global attention. Mangalore university wishes to be a centre for such global studies on Indian Ocean with due emphasis on coastal security.

- **Local culture, folklore and expressive forms:** The region has a healthy mix of all religions. People speak different languages and the prominent ones are Tulu, Konkani and Byari besides Kannada and its variants (Arekannada, Kundapura Kannada etc). Tulu spoken and understood by majority is supposed to be one of the oldest Dravidian language with rich cultural heritage. The local culture, folklore and expressive forms such as Yakshagana, Kambla, Nagaradhane, Bhootaradhane, and Pardhana make the region distinct and University a center for the study of these distinctive culture. Aware of the distinctive features. University too has started a Yakshagana research centre, Ratnakaravarni Jain Study centre, Tulu Adhyayana Peeta, Shivaram Karantha Peeta etc to promote research in local culture besides the works of the departments like Kannada, Sociology, History that has been attracting significant foreign institutions. Many researchers from Japan, Germany, Finland etc have done substantial research work on local cultures supported by Mangalore University. Siri Mahakavya Sangraha, that is collection and study of oral tradition, for instance, is a collaborative work between Mangalore University and Turku University, Finland and more of such work is desired.

- **Community based organizations and private initiatives:** The region is known for private initiatives (less dependence on government) and many community organisations based on religion, community and profession have been rendering social services, interestingly across communities making the region distinct. These organisations have enabled political mobilization, increased literacy rate, provided health care facilities, and expanded banking reach and financial inclusion. This drive by the community organization is typical of the region and potential for global study.

- **Rural development:** The rural development pattern is distinct again in terms of private initiatives and success stories of initiatives like Sri Kshetra Dharmasthala Rural Development Project (SKDRDP) and Siri Gramodyoga that has transformed the lives of rural area. The rural areas have successful Total Sanitation Campaigns (TSC), quality schools, better health services, good banking and cooperative banks that makes region distinct. Most of these are the results of local initiatives and community supported activities.

- **Community studies and ethnicity:** The region has distinct tribes and communities with their own cultural practices and their study is a fertile area for research. Kodavas, for instance, have community sports practices that make them distinct and many communities have typical spirit worship customs and practices that again has been drawing the attention of scholars. The community studies offer scope for greater collaborative global research.

The university falls under the coastal areas of Karnataka and has got an easy access to the unique Western Ghats. Western Ghat flora is known for long time to be legendary source of

herbal plants with medicinal values. Some of the advanced research works will focus on characterization, drug development and improvement of the plant products for a variety of indications of human and animal populations. These include Bioprospecting conservation in the core areas of research. In addition, important emerging areas like Nanotechnology, Drug Design and Development, Radiation Biophysics, Solar Energy and Solid Waste Utilisation have been included within Core areas of research.

The core activities of research will be in the following areas:

- Western Ghats ecosystem- analysis, conservation and protection of endangered flora and fauna.
- Research and development of plant based drugs for various indications.
- Research and Development of drugs and delivery systems and remedial technologies to alleviate chronic infectious deceases.
- Advanced materials and devices using Nanotechnology
- Improved flora of the Western Ghats of the coastal Karnataka region, soil health and soil mapping.
- Cataloguing, mapping and bar coding of plant diversity.
- DNA Finger Printing of selected / endangered flora.
- Commercializing Orchid culture and preservation using nanotechnology.
- High throughput production of viral free plants through tissue culture for rapid propagation.
- Multiplication and conservation of endemic and endangered plant species.
- Collaborating with other institutions through interdisciplinary research and industry – academia interactions.

f. Promotion of excellence in higher education:

- International and National conferences were conducted by the University.
- Over the last year, five MOUs with international institutes have been signed for collaborative programmes and research.
- To motivate the young researchers and students, over 35 senior academicians and researchers have been appointed as Adjunct Professors to various departments. The University has adopted 'Back to roots' initiative and brought good teachers and research scholars working abroad in reputed Universities to Mangalore University.

Initiatives taken to promote overall development of the university:

- The facilities at the research centres and PURSE labs are extended to researchers to strengthen ongoing research activities in frontline areas of science and technology.
- The University has started new UG as well as PG courses in accordance with changing trends in higher education. A new college on the Mangalagangothri campus is offering BA, BBA and BCom courses. The university also has opened an Evening college at the University College,

Mangalore premises to cater to the educational requirements of the working class in the city. The university has initiated action to start LLM programme.

- *Technological Initiatives*: The University campus is a 24X7 Wi-Fi enabled campus for the stakeholders. The University offices are made paperless offices by providing a computer to all the non-teaching staff. The university has also adopted e-governance initiatives of the Govt. of Karnataka. ICT has become an integral part of teaching and learning program of the university. All the faculty members have been provided with laptops so that they can utilize all possible e-resources for effective teaching. The SC/ST research scholars and PG Students are provided with laptops under SCP/TSP grants apart from giving them extra books in the library for their studies. The Library has a cyber-lab for online reference of books and journals. Remote access has also been provided for the users to see the online resources in the library from anywhere anytime. Anti-plagiarism software has been installed in the library so that all researchers can check their articles and thesis for plagiarism and improve upon the quality of publications. CCTV cameras have been installed in the entire campus for proper survelliance.
- *Green Initiatives:* Most of the Science department laboratories are converted into modular laboratories by using anti-rust, anti corrosion and other suitable materials for arrangement of equipment in the laboratories. A vermi-compost plant for waste Management has been started to utilize the waste on the campus. A solid waste management plant has been initiated in collaboration with the Zilla Panchayat to help villages in maintenance of waste. A campus cleaning programme has been started in which all faculty and students are involved in cleaning the campus on third Saturday of every month. Installation of Solar energy systems and Rain water harvesting has been completed. All street lights on the campus are converted to LED lighting so that power can be saved and utilized in a better way.
- *Other Initiatives:* An important initiative of introducing Mangalore University to the International community and bringing International Students to the University foreducational purpose. We now have about 140international students on our campus pursuing study for their UG, PG and PhD degrees. The achievers in Sports and Cultural activities from the Alumni of the University are felicitated every year on the Foundation Day. Encouragement is being provided to sports through formulation of sports policy and providing fellowships to sportsmen for higher education. Information Kiosks and Digital Signage boards are installed on the campus and constituent colleges so that students can get information from the University and watch the programmes in the University. Village adoption programmes are initiated under the banner 'MANGALA YOJANE'- taking the University to the Village to help villages in developing on all fronts.

g. Welfare measures for SC/ST/OBC/Women/Divyang and others:

Several welfare measures have been provided to SC/ST/OBC/Women/Divyang and others community. The following cells have been strengthened and are aimed to provide the needed facilities to the student community:

SC/ST Cell

- A special Cell for the welfare of Scheduled Caste and Scheduled Tribes in Mangalore University has come into existence for effective implementation of the programmes and policies of reservation. The Cell is advised by a Standing Committee on various policy matters pertaining to academic and non-academic matters under the Chairmanship of the Vice-Chancellor.
- The Cell awards SC/ST research fellowships and contingency grants to the Ph.D. students. It also extends financial assistance to various programmes such as study tour, preparation of dissertation/project reports, purchase of sports kits and computer training. Training programmes for the SC/ST students appearing for UGC/JRF/Lectureship examinations, facilities awareness programme, career guidance and personality development programmes are also conducted.
- A database of the SC/ST students studying in the affiliated colleges of Mangalore University and Post Graduate departments of Mangalore University is maintained in the SC/ST Cell.
- SC/ST Cell is in charge of getting scholarships, EBL charges of the hostel inmates and reimbursement of fees from the Government for SC/ST students studying in the Post Graduate departments.

OBC Cell:

A special Cell for the welfare of Other Backward Classes (OBC) including minorities is developed in the university having a co-ordinator. The cell is established in 2005.

The welfare measures provided by this cell are as follows:

- To collect reports and information regarding the Government of India and the UGC orders on various aspects of education, training and employment of OBC.
- To circulate Government of India orders and UGC's decisions and to collect information in respect of appointing, training these communities in teaching and non-teaching posts in the University.
- To collect statistics on OBC students and employees.
- To monitor the working of the remedial coaching scheme in the University for OBC students including minority students.
- To function as a Grievances Redressal cell for the Grievances of OBC students including minority students and employees.

Directorate of Student Welfare:

The DSW is primarily a statutory office working for the welfare of students of the campus. It encourages and monitors the extra-curricular activities of the students. The DSW is committed to the spirit of unity and integrity of the students. It was started along with the university but

managed initially under the Administrative Officer. From the year 1992 onwards the centre is headed by the Director of Student Welfare.

Activities of DSW :

h. Promotion of Kannada in all its celebrated forms:

— Kannada language is adopted as administrative language
— Lecture series are being regularly arranged in various affiliated colleges to promote Kannada language
— Prasaranga is entrusted to print Kannada books, novels, research publications and monographs.
— University website is also available in Kannada version.

i. Initiatives to mobilize finances through PPP, alumni/alumnae associations etc.,

— Different chairs are established with the help of individual/organizational donors
— Govt. funded chairs/centres are established

j. Innovative measures to ensure announcement of results before commencement of next semesters of UG and PG degree courses

Mangalore University examination section is continuously progressing by adapting the available latest technology and the best practices. Some of the innovative measures are as follows.

— Student data is directly imported from the Online Admission Data
— Exam Registration and the IA marks entry are being done online.
— Examination Admission Cards are issued directly to the colleges through online.
— For valuation, the answer scripts of all the courses are coded.
— The coding of the answer book is done completely automatic by using printers which have the capability of printing codes directly on the answer scripts, hence reduces the mistakes that would happen in manual process.
— Since all marks entries (both theory and practical's) are entered by valuer/examiners, as a result wastage is minimum, such as error in marks cards etc are very minimum.

After the thesis is accepted for evaluation by an examiner it is sent to the examiner with a stipulated date so that he/she complete the evaluation within a time period of two months.

b. Ph.D. course work examination procedures.

After having been admitted, every Ph.D student shall be required by the University/Institution/College, as the case may be, to undertake course work for a minimum period of one Semester (Six months duration). However, M.Phil Degree holders are exempted from course work. The Course on research methodology may include quantitative methods and computer applications, reviewing of published research in the relevant field as prescribed by the concerned Board of studies as per the guidelines framed by the University.

The report of course work shall be referred to the Doctoral Committee headed by the Chairman of the concerned Board of Studies and one external member for opinion. The Doctoral Committee shall consider the report and approve it as such, or approve with suggestions or modifications if any, or ask for a fresh course work. The Chairperson of the Doctoral Committee shall communicate the opinion of the Committee to the Registrar within two months. Candidates working under Recognized Research Centres shall forward the report of course work directly to the Chairman of the concerned Doctoral Committee.

c. Policy for procurement of examination related materials such as answer books, marks cards, degree certificates, rank certificates, provisional certificates.

Answer booklets procured by outsourced firm and marks card degree certificate/ rank certificates, provisional certificates will be procured as per government procurement rules (e-tender)

d. Wastage of materials due to software and or storage/processing problems; consequent financial loss – details of each document to be provided.

Minimised wastage of materials such as error in marks card because of online marks entry.

e. Security measures incorporated in each examination document

Answer booklet: Bar Coded Answer booklets, Scanning of Booklet and capturing of top portion of booklet and printing of unique dummy no. on each script.

Degree Certificate: Highly tear resistant, water resistant and chemical resistant made up of thermally bonded high density polythene fibres. The dimension of the material shall be 210mm (width) x 297mm (length) and other specifications are: each sheet of 110 GSM weight and thickness of 10.3 mils, tensile strength of 66 to 72 lbs/inch capacity of about 97% with excellent tear resistance having an Elmendorf tear index of about 102 in both traverse and machine directions with multi-colour and necessary security features.

f. Innovative practices introduced to meet deadlines.

New system of online entry of marks in the valuation centre is enabling us to announce results within a week of completion of valuation process.

g. Securities introduced in the examination software

University server is password protected and only authorized technical expert can log into the server. If any unauthorized person logs into the server, notification will automatically be sent to the concerned technical expert.

h. Whether an external expert – audit of the software conducted and a fitness/security certification obtained? If yes details.

No.

23. Convocation – Vice Chacellor address

At the very outset, I extend a respectful and hearty welcome to His Excellency Sri Thawar Chand Gehlot ji, Chancellor and Governor of Karnataka who is presiding over the 40th Annual Convocation of our University. I welcome you Sir.

It is a great honour and a matter of pride to cordially welcome the Chief Guest His Lordship Justice S. Abdul Nazeer, Hon'ble Judge, Supreme Court of India who will be delivering the 40th Annual Convocation Address. I welcome you Sir. I also deem it my privilege to extend a warm welcome to Smt. Sameera Nazeer. I welcome you Madam.

I welcome the honourable members of our Syndicate and Academic Council, recipients of Honorary Doctorate, our teaching and non-teaching staff, degree recipients & their parents, special invitees, people of Goodwill and friends from Print and Electronic media to this 40th Annual Convocation of our University.

Mangalore University was established on September 10, 1980 as an offshoot of the University of Mysore with a dream of becoming a 'University with a difference'. Over the past 42 years, Mangalore University has grown in stature and earned a respectable position among the higher educational institutions in the country. We have taken great strides in terms of infrastructure development, strengthening academic ambience, the introduction of new academic programmes and signing of MOUs in tune with the aspirations of National Education Policy-2020, research publications and projects, outreach activities, improved student well-being and learning experiences. We promise to continue and build on the best practices and good traditions established by the previous eight Vice Chancellors and to implement new initiatives demanded by the changing circumstances and expectations of our stakeholders. We are marching towards excellence with a philosophy of 'Continuity with Change' and continuous learning, improvement and development.

For the first time we could successfully implement our own examination software 'MuLinx' for the smooth conduct of examinations with the support, involvement and commitment of our Syndicate and the Registrar (Evaluation) team. Further, we have also succeeded in effectively implementing the State Govt. initiated Unified University and College Management System for e-governance and examination processes under NEP-2020 from this academic year.

Among other things, during 2021-2022, we had effectively managed the challenges of Covid-19 pandemic, started implementing the aspirations of NEP-2020 by introducing 4-year multi-disciplinary, holistic undergraduate honours programme by timely and appropriate addressing of the concomitant concerns, apprehensions and challenges; providing hygienic and delicious food in the Food Court at subsidised prices, Community engagement and service learning through village and school adoption programmes with the support, involvement and commitment of our NSS, Youth Red Cross, NGOs and Study Centres and endowment chairs; effective maintenance of 'Wall of Kindness' and Public Rest-Room facility, Free mid-day meal scheme to the poorest of poor PG students on the campus, functional training and placement

cell, construction of SC-ST girls' hostel through funding from AICTE, finalisation of long-pending seniority list of teaching and non –teaching staff, enhanced budget provision of Rs. 5 crore for the welfare of SC-ST students, researchers and staff for the financial year 2022-2023, formulation and implementation of a cultural policy; displaying cultural artefacts on the campus depicting the cultural identity of Kodagu, Udupi and Dakshina Kannada Districts; providing University Research fellowships to a few meritorious OBC and GM candidates who are not getting financial assistance from any other source; and providing seed money to young faculty members to undertake minor research projects in socially relevant areas.

New academic programmes to be launched during the academic year 2022-23 include 5 years-Integrated MBA (Health, Safety & Environment), 5 years-Integrated M.Com (Business Data Analytics), Master of Public Health, 5 years –Integrated M.Sc (Electronics), M.Sc (Molecular Biology). Some of the proposed initiatives for the academic year 2022-2023 include launching of 'Student Adalats', installation of statues of Dr. B. R Ambedkar and Swamy Vivekananda, completion of the construction of International Students' Hostel Complex and housing of Pareeksha Bhavan, instituting a few academic departments, dedicating rooms in the block for VVIP guests; starting a few PG programmes in Advanced Science-cum-PG Centre at Belapu, Udupi District from the academic year 2022-2023, filling up of vacant teaching and non-teaching positions with the approval of the State Government and the Chancellor, augmenting of internal resources through tapping of CSR funds, alumni support and public-private-partnerships.

I take this opportunity to present the data of the candidates who have appeared and successfully completed their degree courses in the year 2021-22: D.Sc-1, Doctor of Philosophy 153 (of which; Faculty of Arts 36, Faculty of Science 96, Faculty of Commerce 18, and , Faculty of Education 3); Out of 5,069 candidates who appeared for Post-Graduate examinations, 4,526 have passed the examinations (89.3%); out of 1,335 Post-Graduate students who appeared for their examinations in autonomous institutions 1,300 have passed (97.4%); out of 27,427 Under-Graduate candidates who appeared for their examination, 18,379 passed (67%); out of 3,227 Under-Graduate candidates who appeared for their examination in autonomous institutions, 2,755 passed (85.4%). I am proud to inform you that 52 students have been conferred with gold medals and 57 students have been conferred with cash prizes for their outstanding academic performance. 69 students (50 PG and 19 UG) are I Rank holders.

I wish all the students great success and a sense of achievement in all their future endeavours.

Now let me introduce Hon'ble Judge, Supreme Court of India, Justice S. Abdul Nazeer who is going to deliver the 40th Annual Convocation address in a short while from now.

His Lordship was born on 5.1.1958 in an agricultural family in Belvai Village, Karkala Taluk, (now Mangalore Taluk). His Lordship had Elementary and High School Education at St. Thomas Higher Primary School Alangar, Moodbidri and Jain High School, Moodbidri. His Lordship joined Sri Mahaveera College, Moodbidri and completed graduation in the year 1979. His Lordship joined Shri Dharmasthala Manjunatheshwara Law College, Mangalore in the year

1979 and obtained Law degree in the year 1983. His Lordship was enrolled as an Advocate on 18th February 1983, and joined the Chambers of Sri M. K. Vijayakumar, a leading Advocate at Karkala, in the year 1983 and practiced at Karkala for some time. His Lordship shifted to Bangalore and joined the Chambers of Sri K.S Kasim, Advocate. Later on, His Lordship joined the Chambers of Sri V. Tarakaram, a Senior Counsel. His Lordship set up independent practice in the year 1995. His Lordship practiced in the High Court of Karnataka mainly on Civil, Taxation, Education and Land Acquisition matters.

His Lordship was appointed as an Additional Judge of the Karnataka High Court on 12.05.2003 and was appointed as Permanent Judge of the High Court of Karnataka, Bangalore on 24.09.2004.

His Lordship was elevated as Judge of the Supreme Court of India on **17th February, 2017**.

Now, I have the honour to request Hon'ble Judge, **Justice S. Abdul Nazeer** to deliver the Convocation address.

24. Skill development and Placement Cell:

a. Involvement of Industry in development of curricula.

- A workshop was organized in the department to revise syllabus for MBA program involving experts from industry and academics, namely, Mr. Lakshminarayana, Joint Director, NABARD, Mangalore, Mr. G V Sunil Kumar, NABARD Mangalore, Mr. Srinivas Rao, Director, Global Inst of Supply mgt Manipal, Sharath Kumar, CTO Special Projects Reliance JioInfocom Ltd, Bangalore, Mr. RajendraBalal, Branch Head, Cars Pvt Ltd Manipal Udupi. Experts from Educational Institutions Dr. Vani R Balal, Fr. Gr. College Udupi, and all the faculty members of affiliated institutions participated in the workshop and revised the syllabus according to the present requirement.

b. **Number of campus recruitment events organized with details of reputed corporates/ Industries participated: NIL**

c. Whether the university offers B.Voc/M.Voc degrees; if no – provide reasons.
   - Yes. Offered in constituent college and affiliated colleges.

25. Research Policy and Output:

a. Total number of Research Centres :

- University Departments : 28
- Constituent colleges: 02
- Affiliated colleges: 08
- Research institutes outside the university jurisdiction: 28

b. Total number of research publications:

- In International journals published with impact factor: 171
- In National journals with ISSN Number and impact factor: 58
- In Conference Proceedings- state/national/international/others: 21
- Books/book chapters published commissioned by International publishers abroad: 26
- Total number of policy papers developed – commissioned /through project outcomes: NIL

c. Research Excellence:

- Number of papers per faculty: On an average 10
- Number of citations per faculty: On an average 64
- h-index if any; On an average 09

d. Research Projects:

i. Ongoing projects with funding source & Title of the Project (International/National/State/Industry/University Etc)

Nature of Project	Principal Investigator	Title	Duration (Years)	Name of the Funding Agency	Total Grants Sanctioned (Rs. lakhs)
Non-Government	Dr. K. Bhasker Shenoy Dr. M.S. Mustak Dr. Narasimhaih N.	Dr. Shivarama Karantha Pilikula Nisargadhama Mangalore	2022 (3 years)	Faunal components of MRPL Pond	47.00

DR. P. DAYANANDA PAI & SRI P. SATHISH PAI YAKSHAGANA STUDY CENTRE

Director	:	Prof. Shripathi Kalluraya
Year of Establishment	:	2009
Source of Corpus Fund	:	Dr. P. Dayananda Pai & P. Sathish Pai Trust, Bangalore. Rs. One Crore received as corpus fund

- Dr. P. Dayananda Pai and Sri P. Sathish Pai Yakshagana Study Centre was established in Mangalore University in 2009 for the Study of Yakshagana and its documentation. Yakshagana is a traditional performing art form, a popular theatre prevalent mainly in the Coastal Karnataka with its world acclaimed unique features. In fact, this theatrical art form of Karnataka is a representative art form of our State. With a history of more than eight hundred years, Yakshagana of Coastal Karnataka has developed into a highly harmonious, synthesized theater, comprising components like powerful music, colourful costumes, vigorous dance and extempore dialogues, all in their own distininct style. In addition to its role as a form of artistic entertainment, Yakshagana has been an effective medium of information, value/moral education, especially to the masses. In its structure and performance style it enjoys both classical discipline and folk features.
- It is appropriate that Mangalore University has a centre for the study, dissemination, documentation and research of Yakshagana. Dr. P.Dayananda Pai and Sri P. Sathish Pai Trust has endowed a sum of Rupees one crore towards the establishment of Yakshagana Study Centre in Mangalore University. The activities of the centre will cover academic study, documentation, promotion, training, performances and experiments, publications, dissemination and encouragement of various activities and aspects connected with Yakshagana. It is hoped that the academic and utilitarian concern of the university for Yakshagana will serve as an institutional arrangement for the promotion of its richness and pristine beauty.

Objectives of the Centre

- Documentation, preservation, promotion and dissemination of traditional Yakshagana in all its styles (Northern, Southern)and variants(Talamaddale, Aata and Gombeyata) and to disseminate Yakshagana through the print and Electronic media at local, regional, national and international levels.

- To impart education in Yakshagana, in all its aspects like dance, music etc. to the students/ interested public with the help of the Yakshagana Gurus.
- To organise performances with stress on academic purposes to propagate Yakshagana among the youth and public and to conduct workshops, lectures demonstrations, experimental performances and interactions with the artists and other schools of related arts like Kathakkali, Therukkutu etc.
- To establish Archives/Museum/Library for study and research on Yakshagana and to organise such activities that will preserve and promote the traditional beauty of Yakshagana so that its distinctive features are identified by the people and continued by them.
- To publish literatures related to Yakshagana and create a comprehensive information base about Yakshagana and to work in collaboration with other institutions, groups and agencies with similar objectives.

KONKANI ADHYAYANA PEETA:

Coordinator: Dr. Jayavantha Nayak

- Konkani Adhyayana Peeta carryout research activity of Konkani literature, culture, heritage etc. as per the objectives mentioned in the statute.
- Amount sanctioned by Government of Karnataka: Rs. 2 Crore

Social relevance of the chair:

Konkani is an Indo-Aryan language. It belongs to the Indo-European family of languages and is spoken in the Konkan coast of India. This region comprises the Konkan division of Maharashtra, Goa, Canara, i.e. coastal Karnataka, and a few places in Kerala. Depending upon the region, the language has a different dialect, pronunciation style, vocabulary, tone and significant differences in grammar. Konkani is the official language in the Indian state of Goa and is one of the official languages of India. Konkani does not have a unique script. Konkani is written in a number of scripts. Devanagari is the official script for Konkani in Goa, whereas Roman script is also popular in Goa. Amongst the Konkani population of Karnataka, the Kannada script is used. Malayalam script is used by the Konkani community in Kerala state. Arabic script is used by Konkani Muslims in coastal Maharashtra and Bhatkal taluka of Karnataka. Despite a 5000 year old heritage, encompassing a rich cultural variety perhaps unmatched in diversity in proportion to its population, the Konkani language sadly continues to suffer neglect and faces the threat of extinction. In this context, during the year 2014-15 Government of Karnataka has released a grant of Rs 2 Crore for the establishment of Konkani Adhyayana Peeta in Mangalore University to promote the interest of Konkani language, culture and heritage.

Objectives:

- To focus on Genomics of Konkani speaking community to trace their origin and genetic factor for their intellectual ability
- To undertake socio-economic, historical and cultural study of the Konkani speaking people.
- To conduct seminars, workshops and conferences with a special focus on Linguistics, Literature, History, Social Studies and Culture pertaining to Konkani Language and people.
- To study the religious beliefs and practices, folk traditions and performing arts of the Konkani people.
- To explore and record the varied ethnographical and sociological facets of Konkani community.
- To promote inter-disciplinary research in Konkani culture and heritage.
- To foster inter-language studies to promote national integration.
- To establish a network of all Konkani Institutes to leverage resources and conduct programs.
- To attempt fund raising for Konkani language related activities from local philanthropists, and also national and international funding agencies.
- To create an archive to preserve the documents pertaining to Konkani history and culture.
- To promote formal education in Konkani at University level.
- To guide the Ph.D students who undertake research work in the area of Konkani community.

36. ICT infrastructure

Computer Centre

Director- Incharge : Dr. H.L Shashirekha

Introduction

- UGC has been assisting the Universities for setting up of Computer Centre since 1990 for research, training and application of computers in every field/subject. Consequently Mangalore University Computer Centre was established in 1990.
- Computer Centre plays a key role in today's knowledge driven society. It provides comprehensive Information Communication technology (ICT) services to Academic/ Administrative departments of the university. Its key services include providing reliable and available ICT infrastructure comprising of computational services and Internet services. Computer Centre maintains reasonably good ICT environment and augments the same from time to time as and when needed. It is also geared up to provide uninterrupted IT services to the end users.
- Cyber Lab is a centralized computational facility comprising of 40 desktop system and application software. The Computer Centre is coming up with another centralized Computer Lab of 80 computers to cater the needs of the faculty/students.
- It is very important to be connected to the Internet in today's 'Information Era', Mangalore University providing internet services through two independent Internet service providers (ISPs). One is through NKN with high speed connection of up to 1 Gbps and the other through 35 Mbps leased line from BSNL. Entire campus is configured as a set of Virtual Local area networks (VLAN). The connectivity within the department is extended through CAT5/.CAT6 UTP cabling, while connectivity across the building is established through OFC backbone. Core switch at the Computer Centre provides high speed switching required across the campus network. The switch in the Department/Office/Building is used to provide wired connectivity to class rooms / faculty rooms / Labs etc. The internet access is made available to all users through wired Ethernet outlets and Campus wide Wi-Fi (Wireless) facility for authentic users.

Operation and Maintenance

- Extended Computer Annual Maintenance Service for a period of monthly maintenance basis, on pro-rate basis at the rate of Rs 82,163/-per month.
- Co-ordination for Annual Maintenance Contract for networking items in the campus at a cost of Rs. 8, 37,800=00.
- Co-ordination for Annual Maintenance Contract for Wi-Fi networking in the campus at a cost of Rs. 8, 26,000=00.
- Maintenance of university website - www.mangaloreuniversity.ac.in by updating the contents from time to time.

- Co-ordinated the procurement of purchase of toner Cartridges for Laser under rate contract purchase. 109 cartridges worth Rs.5,91,546/- were purchased for the year 2020.21
- Maintenance of in-house mail server – mail.mangaloreuniversity.ac.in.
- Extended use of Internet services by providing 182 LAN I/O points to the following departments/ offices at total cost of Rs. 6,62,756/-, under rate contract scheme.

Facilities

- **Computational Facilities:** Computer Centre houses mail server and web server, to provide ICT services. These servers are connected to clients in cyber lab and other PG Departments/ offices/centres. Campus network on OFC interconnects all computers systems in one logical network facilitating services to be utilized from any server on the network. The overall campus network diagram is as shown in Fig.1. Central servers and network services are available round the clock on 24x7 basis.
- **Cyber Lab Facility:** Cyber lab is the facility made available to all users. It houses 40 desktop systems with internet connectivity. It also has adequate peripherals such as printers, scanners. Cyber lab is operational from 9.00 AM to 7.00 PM on all working days. Cyber lab utilisation for the year under report is shown in Fig 2
- **New Central Computer Lab:** A central computer lab facility was established during January 2021. The lab contains 80 desktops of various configurations which can be used for the research, lab practicals and web browsing. Around 50 desktops were installed by assembling the parts available in the disposed desktops, hence, saving an approximate amount of 20 Lakhs. This Lab is now the major central computer lab available for all the departments of the university. Central computer lab is operational from 10.00 AM to 5.30 PM on all working days**.**
- **E-mail Facility**: Computer Centre hosts in-house mail server with domain mail. Mangaloreuniversity.ac.in. Web based mail services are available on independent server with open source mailing solution.
- **Internet facility**: Internet communication is the lifeline in todays connected digital world. University provides Internet facility through two services providers viz NKN and BSNL. NKN provides full text access to scholarly journals on a 1 Gbps leased line. BSNL provides additional separate 35 Mbps leased line. Gateway level appliance provides firewall services, anti spam, anti-virus intrusion detection and content filtering services. This ensures secure and safe internet experience to all users. Internet access is available at all departments/offices round the clock on 24X7 basis.
- **IP Phone facility:** The Computer Centre also houses the IPPBX appliance (Cisco be3000) to provide VoIP services through IP phones.
- **Wi-Fi Facility:** The solution consists of central controller and access points distributed across the campus. The access points confirm to the IEEE standard 802.11 ac, which ensures ideal data transfer speed of 1300Mbps. There are 190 indoor access points deployed to give coverage within the buildings on the campus and 10 outdoor access points to give coverage

in open spaces outside the buildings. All the access points are controlled by central WLAN controller. This controller controls major functions of access points such as authentication, encryption, quality of service etc. This also acts as management console to configure the access points by the administrator. We have provided a redundant controller to ensure high availability, in the event of failure of main controller. Security is the major concern in Wi-Fi usage. We have ensured adequate security – both for connectivity to Wi-Fi network and to the data transferred over the air. The user is allowed to access only through the registered mobile device, where MAC id of the device shall be the identifying feature. Additionally user has to authenticate using the user name and password assigned to him.

- ***CCTV Surveillance System:*** Closed-circuit television (CCTV) also known as video surveillance, is the use of video cameras to transmit a signal to a specific place, on a limited set of monitors. CCTV camera systems have one or more cameras which are used to send video, images and audio data to a monitor. There are totally 147 cameras of different types installed in the Campus, covering most of the area of the University. An expert engineer is available in the campus for maintaining the setup. The total setup is being maintained by AMC Contract which will be renewed every year through government e-procurement procedure. The setup has a capacity of storing the footage for a period of 30 days after recording. The entire footage can be viewed or the footage of a particular time slot can be copied separately if required. A separate networking setup including the network tower, wireless RF based connectivity has been established for the CCTV and Surveillance System, hence it is not affecting the regular internet of the campus. The main control of the entire setup is hosted in the Computer Centre.

Services

The Computer Centre extends its services in the following areas:

- Software Development and / Implementation
- Technical Consultancy Services for Hardware, Software procurement and deployment
- Computer Training Programs as and when needed
- Data Processing
- Major Services extended include
  - AMC services for computers and peripherals on the campus(Fig 3)
  - Procurement of purchase of toner cartridges for laser and Inkjet printers(Rate Contract)
  - AMC services for networking devices and IPPBX appliance
  - Providing network related services on rate contract basis
  - Providing internet services from two independent service providers
  - Operation and maintenance of cyber lab.
  - Providing Wi-Fi Campus Networking.
  - Providing CCTV Surveillance System.

- **Data Processing**: Mr. Manohara M Goranakolla, Mr.Vijay G participated in various stages of software development / implementations such as analysis, programming, data entry and data processing activities related to Finance office, Registrar's office and Registrar (Evaluation) office of Mangalore University.
- **Software Development and Maintenance:** The computer center is also involved in software development based on university requirements. During year 2020-21. The computer center developed and maintained the following software at the university campus.

  - Student Feedback System
  - Faculty Feedback System
  - Grievance Address System
  - AMC of Computers Call Report System
  - Guest Faculty Recruitment System

- **Online Classes, Meetings and Conferences:** During the pandemic period academic work was carried out almost completely through online teaching Hence the computer centre procured and provided WebEx licensees to each department and constituent colleges of the university. The Centre conducted two training programs on using the WebEx. The Centre was also involved in successfully conducting Online Video Conferences and Online Meetings.
- **Implementation of Software's /Applications provided by Government:** Computer Centre is actively involved in the implementation of the software's / applications provided by government such as: UUCMS, HRMS, e-Office, NAD, SSP,Online Affiliations

47. Special initiatives on which university proposes to leverage quality of educational services :-

48. Any other information to showcase the achievements of the university :-

49. Vice Chancellor's Views :-

The University has seen a steady progress during the year 2021-22. Many avenues have also been opened up for strengthening the University activities and take the University towards excellence in higher education and research. In the coming years the University has plans to take up initiatives to automate the governance procedures and bring transparency in the administration. The University has also taken up initiatives to promote awareness about environmental protection, rain water harvesting and planting of trees. The University aims to build an eco-friendly campus and has taken some steps towards this by making the campus a plastic free campus and carrying out Swachhata Abhiyan every month as well as planting of trees by the students. To sum up, the University has been working towards providing the best to all its stake holders apart from academics and research activities.
