FOREWORD

I am very delighted to present the Annual Report of our University for the year 2020-21. Over 41 years, Mangalore University has grown in stature and is recognized as one of the premier Universities in the country.

Our University has been known for its commitment to teaching, research, conducting academic programmes and examinations as per schedule. We have the Credit Based Semester System at the undergraduate and the Choice Based Credit System at the postgraduate level. The admission of Research Scholars and foreign students for Ph.D. and P.G. programmes on the campus has increased considerably due to several academic and administrative initiatives taken in recent years.

Our teaching faculty have rendered themselves creditably in their teaching and research activities. Year by year, the H-index of the University is steadily progressing and currently it is 74 that clearly shows research output rendered by our faculty members and research scholars. The research programmes are strengthened through the Research and Consultancy Promotion Cell. Scheduled Caste (SC) and Scheduled Tribe (ST) Post Graduate students and Research Scholars are provided with laptop under SCP/TSP grants apart from giving them additional books in the library for their studies. The University has introduced several welfare programmes for SC/ST students under SCP-TSP grants sanctioned by the Government. The University has appointed a few more leading academicians from India and abroad as Adjunct Professors, to make use their knowledge and expertise for further excellence. Further, Visiting Professor, Guest Lecturers and temporary non-teaching staff were appointed on need basis for the smooth functioning of the university in terms of both teaching and non-teaching. Guest lecturers have been selected based on their merits, experience and academic excellence following the social justice to all communities. I am happy to note that many of our guest lecturers are NET or K-SET qualified and some of them are Ph.D holders.

The basic facilities available on the campus include Administrative building, Faculty Buildings, Library, Men's, Women's and Working Women's hostels, Staff Quarters, Guest Houses, Mangala Auditorium, well-equipped outpatient health centre, sports facilities including gymnasium, indoor stadium and play grounds with 400 mtr. track. The University has its own water supply arrangement on the campus including harvested rainwater. Other facilities like Banking with four ATMs, Cyber Café, Inflibnet and Postal services are available on the campus. CCTV surveillance systems that have been installed on the campus and in our constituent colleges are very helpful to monitor the activities 24x7. We have given much importance to implement environmental-friendly systems, including installation of solar water heaters, solar-energy powered street lights and replacement of CFL bulbs with LED lighting.

Mangalore University has WiFi connectivity on the campus which is very useful for e-Governance, to make use of e-Office for effectively implementation file managemetn system provided by Govt of

Karnataka.

Information Kiosks and Digital Signage boards that were installed on the campus and in our constituent colleges enabling students and general public to get the informaiton and visualize the events from their locations. The library has 2,20,426 books and subscription to over 305 periodicals, On-line Journals/databases (06), Online Bibliographical database (02) and 15,000+ online journals from UGC-INFONET and 45,000+ online journals from J-gate Database.

The University has advanced science research facilities, viz., Microtron Centre, Centre for Application of Radioisotopes and Radiation Technology (CARRT), Promotion of University Research and Scientific Excellence (PURSE), Centre for Advanced Research in Environment Radio Activity (CARER), OASTC and others.

The University maintains a close liaison with the public of the Coastal region and Kodagu through various outreach programmes including University-Industry interaction, extension activities through, School adoption programme, Mangala Yojane (Village adoption programme), Prasaranga, NSS and various Endowment Chairs and Study Centres.

The University provides scholarships for meritorious students. There are other endowment scholarships also for the meritorious but poor students. Mangalore University has contributed in developing sports in the state through the affiliated colleges. At the Inter-University level, we have produced more than 100 internationals who have brought laurels to the country by winning medals at different levels. The University has introduced sports scholarships to talented sports persons. Incentives to Inter-University new record creators and incentives to All-India Inter-University medalists are given every year.

We have taken all efforts to develop the P.G. Centre at Chikka Aluvara, Kushalnagara. We have established the First Grade College at Mangalagangotri to cater to the higher educational needs of the local people and also started the Evening College at University College, Mangaluru to help the poor students to continue their studies while working at day time. Our constituent colleges such as University College, Mangaluru and Field Marshal K.M. Cariappa College, Madikeri are recognized by the U.G.C. as College with Potential for Excellence (CPE) for five years. University College, Mangaluru has been considered under the scheme of Special Heritage status and received a special grant of Rs.183.00 lakhs from the UGC for restoration of Ravindra Kala Bhavana.

The University provides a safe and peaceful environment that is conducive to learning with the active support of students, faculty, administrative staff, and the various authorities.

Prof. P. Subrahmanya Yadapadithaya
Vice Chancellor

2. University Authorities:

a. Strengths, Weaknesses, Opportunities and Challenges (SWOC) analyses made and action taken:

❖ **Strengths:**

- The University is accredited by NAAC.
- Excellent research facilities developed through funding from, DST – PURSE, DST-FIST, UGC SAP, DAE – BRNS, BRIT,DST-SERB, ICMR, KSCST, DBT, ICSSR,etc.,
- Exposure of faculty to international laboratories/research centres through various International fellowships and MOU's
- Well developed, spacious library with ICT, e-resources facilities.
- Computer Centre with mail, web and application servers.
- Sports facilities like gymnasium, indoor stadium, play grounds, outdoor stadium with 400 metres track.
- Directorate of Correspondence to provide higher educational facilities.
- Training of SC/ST/OBC students for competitive examinations, such as UGC/CSIR/CIVIL SERVICE/ ICAS, etc.

- Prasaranga, study centres and peetas are engaged in spreading knowledge to the society and researching on the issues/ problems related to culture, women, weaker sections of the society, etc.
- Extension of consultancy services.
- Promptness in administrative procedures.

❖ **Weaknesses:**

- Inadequate Teaching and non teaching staffs.
- Limited grants for cutting edge research.
- Lack of inter-disciplinary / multi-disciplinary approaches.
- Inadequacy of resources to introduce ambitious academic programs.

❖ **Opportunities:**

- The University has already initiated industry interactions for the academic programs and placements which will be helpful in developing the partnership with industries.
- Syllabi of many courses are framed in consultation with industries which provide job opportunities to our students.
- University has a few National facilities for research which can be extended to other institutions and Universities for collaborative research.
- Various coordinated research programs, Faculty exchange programs with foreign Universities to facilitate frontline research activities. This makes provision for sharing of intellectual properties.
- Exploitation of research potentials to generate revenues in the form of strategic consultancy.
- Increase the access by strengthening distance education programme and adoption of information and communication technologies more effectively.
- The location of the University in the foot hills of the Western Ghats and Coastal Region will be a great opportunity to research on Biodiversity and Conservation.
- The scope for extension of consultancy services.
- Faculty exposure to international laboratories/institutions will be useful to take up high end research and teaching.
- Enhancement of equity initiatives

❖ **Challenges:**

- Increased competition, due to establishment of private and public universities around the campus.
- Limited financial support from State / Central Governments.
- Increased privatization of higher education.
- Inadequate amenities for marginalized section to increase the enrolment.
- Entry of foreign universities to higher education.

b. Short term and long term perspective plans- administrative measures taken, Training to the non-teaching staff:

- To increase the ability of the University to realize the potentiality to compete with institutions of excellence at the global level.
- To enhance the quality of teaching-learning process.
- To increase the access to higher education for the socio-economically backward, SC/ST/OBC community people.

- To increase the enrolment ratio in the University.
- To promote, acquire and access a cutting edge technical know –how/skills for the improvement of research ability of the scholars in the University.
- To enhance the employability of the students through value added education.
- To expand existing and to create additional Physical, Academic and Research infrastructure to increase the enrolment.
- To enhance the consultancy activities to generate revenues.

c. Administrative and academic reforms ushered in – based on NAAC Peer Team recommendations and Administrative and Academic Audit (AAA) Committee reports (copies of recommendations/reports may be annexed):
The NAAC committee report and AAA reports

- Efforts are being made in order to provide academic autonomy and the faculty members are encouraged to participate actively in academic activities such as conference organization, participation and also to execute R&D projects of national importance.
- University is making prompt efforts for appointing qualified faculty where there is an acute shortage. Eminent scholars working in industry/abroad/institutes of national importance are given invitations to work as Adjunct Professors and thereby creating a conducive environment for academic develpment.
- The teaching and non-teaching staff were given training on IT related concepts so that it is useful to adopt e-governance in the university administration.
- Efforts are being made to reduce the surplus generation of materials.
- The research policy is developed to address the issues related to utilization of equipment available in central facilities
- Adoption of e-governance in the administration is taking up swiftly.
- Chairs are made active by providing financial support from the university to organize workshops conferences and as well as to carry out research works.
- Efforts are being to have green audit and university has got 3rd place at all India level during 2018-19 and 2nd place during 2019-20.
- The incubation center is established with the support of IBM, Bangalore and efforts are being made to provide knowledge in the recent fields such as Internet of Things, Artificial Intelligence, Machine Learning, Business Intelligence etc.

d. Administrative measures for networking and development of PG centers/additional campuses, on par with main campus:

- Jnana Kaveri Post Graduate Centre of Mangalore University is situated in Chikka Aluvara, Somawarpet Taluk, Kodagu district. The Director-incharge is appointed to liaison with the main campus.
- In January 2014, MSc Biochemistry and MSc Microbiology were shifted from FMKMC College, Madikeri to Jnana Kaveri PG Centre, Chikka Aluvara.
- In August 2014, M.Com and MSW courses commenced with the admission of 30 and 12 students respectively.
- In August 2015, MA Kannada, MA History, MA Political Science courses were started with 13, 10 and 12 students respectively.

- In August 2017, MSc Botany, MSc Chemistry and MSc Computer Science courses were started with 07, 16 and 05 students respectively.

- MSc in Environmental Science and MA in Mass Communication & Journalism courses have been approved by the University.

- Altogether there are 12 approved courses at Jnana Kaveri PG Centre.

- Video conferencing facilty has been created in order to have day to day interaction and surveillance system is developed to monitor the activities

- Syndicate meetings are being conducted at Jnana Kaveri campus occasionally

e. Promotion of impact driven and socially relevant research (Ph.D. topics, projects proposed to funding agencies, research publications, inter-disciplinary research and extension) activities:

Under different faculties, our university has focused on diversified research areas which are socially relevant to the Mangalore University region and also to promote interdisciplinary research works. The research work envisage carrying out research of international standard on some of the frontier areas considering the geographical and social needs in the interest of the region in particular, and state and nation at large. The following aspects will cover the core areas of research.

- **Thriving Marine economy and ecosystem:** The coastal region in which the University is located hosts the state's only major port and has a thriving marine economy, and marine resources constitute major chunk of region's revenue and employment base. Considering the significance of sea to the region Mangalore University has established the Department of Marine Geology, adding now the Departments of Geography and Geo-informatics. Coastal regulation act, erosion of the coast and its impact, pollution at sea and coast, quality and related issues of water flow into the sea are just some of the areas of research in the University that now could be based for global knowledge linkages.

- **Indian Ocean Studies:** Being in the southern tip of India, Mangalore University is ideally located for Indian Ocean Studies. Indian Ocean has increasingly acquired commercial and security significance and in the background of increased foreign power presence in the region. Increased piracy, large cargo and oil movements, pollution related issues, cooperative structures among Indian Ocean Rim countries, Sagar Kavacha initiatives of Indian government, instability and turmoil in the Island countries of Indian ocean and military bases of foreign powers have made Indian ocean an extremely important area and has drawn the global attention. Mangalore university wishes to be a centre for such global studies on Indian Ocean with due emphasis on coastal security.

- **Local culture, folklore and expressive forms:** The region has a healthy mix of all religions. People speak different languages and the prominent ones are Tulu, Konkani and Byari besides Kannada and its variants (Arekannada, Kundapura Kannada etc).The local culture, folklore and expressive forms such as Yakshagana, Kambla, Nagaradhane, Bhootaradhane, and Padhana etc make the region distinct and University acts as a center for the study of these distinctive culture. University has also started a Yakshagana Research Centre, Ratnakaravarnic Jain Study Centre,

Tulu Adhyayana Peeta, Shivaram Karantha Peeta etc to promote research in local culture besides the works of the departments like Kannada, Sociology, History that has been attracting significant foreign institutions. Many researchers from Japan, Germany and Finland etc have done substantial research work on local cultures supported by Mangalore University. Siri Mahakavya Sangraha, that is collection and study of oral tradition, for instance, is a collaborative work between Mangalore University and Turku University, Finland and more of such works are under pipeline.

- **Community based organizations and private initiatives:** The region is known for private initiatives (less dependence on government) and many community organisations based on religion, community and profession have been rendering social services, interestingly across communities making the region distinct. These organisations have enabled political mobilization, increased literacy rate, provides health care facilities, and extended banking reach and financial inclusion. This drive by the community organization is typical of the region and potential for global study.

- **Rural development:** The rural development pattern is distinct again in terms of private initiatives and success stories of initiatives like Sri Kshetra Dharmasthala Rural Development Project (SKDRDP) and Siri Gramodyoga that has transformed the nature of rural area. The rural areas were successful in Total Sanitation Campaigns (TSC), quality schools, better health services, good banking and cooperative banks that makes region distinct. Most of these are the results of local initiatives and community supported activities.

- **Community studies and ethnicity:** The region has distinct tribes and communities with their own cultural practices and their study is a fertile area for research. Kodavas, for instance, have community sports practices that make them distinct and many communities have typical spirit worship customs and practices that again has been drawing the attention of scholars. The community studies offer scope for greater collaborative global research.

The frontier areas of reseach works in science and technology include the following:

The university falls under the coastal areas of Karnataka and has got an easy access to the unique Western Ghats. Western Ghat flora is known for long time to be legendary source of herbal plants with medicinal values. Some of the advanced research works will focus on characterization, drug development and improvement of the plant products for a variety of indications of human and animal populations. These include Bioprospecting conservation in the core areas of research. In addition, important emerging areas like Nanotechnology, Drug Design and Development, Radiation Biophysics, Solar Energy and Solid Waste Utilisation have been included within Core areas of research.

The core activities of research addresses the following areas:

- Western Ghats ecosystem- analysis, conservation and protection of endangered flora and fauna.
- Research and development of plant based drugs for various indications.
- Research and Development of drugs and delivery systems and remedial technologies to alleviate chronic infectious diseases.
- Advanced materials and devices using Nanotechnology
- Improved flora of the Western Ghats of the coastal Karnataka region, soil health and soil mapping.
- Cataloguing, mapping and bar coding of plant diversity.

- DNA Finger Printing of selected / endangered flora.
- Commercializing Orchid culture and preservation using nanotechnology.
- High throughput production of viral free plants through tissue culture for rapid propagation.
- Multiplication and conservation of endemic and endangered plant species.
- Collaborating with other institutions through interdisciplinary research and industry–academia interactions.

f. Promotion of excellence in higher education:

- International and National conferences were conducted by the University.
- In last year, five MOUs with international institutes have been signed for collaborative programmes and research.
- To motivate the young researchers and students, over 35 senior academicians and researchers have been appointed as Adjunct Professors to various departments. The University has adopted 'Back to roots' initiative and brought good teachers and research scholars working abroad in reputed Universities to Mangalore University.

Initiatives taken to promote overall development of the university:

- The facilities at the research centres and PURSE labs are extended to researchers to strengthen ongoing research activities in frontline areas of science and technology.
- The University has started new UG as well as PG courses in accordance with changing trends in higher education. A new college on the Mangalagangothri campus is offering BA, BBA and BCom courses. The university also has opened an Evening college at the University College, Mangalore premises to cater to the educational requirements of the working class in the city. The university has initiated action to start LLM programme.
- *Technological Initiatives*: The University campus is a 24X7 Wi-Fi enabled campus for the stakeholders. The University offices are made paperless offices by providing a computer to all the non-teaching staff. The university has also adopted e-governance initiatives of the Govt. of Karnataka. ICT has become an integral part of teaching and learning program of the university. All the faculty members have been provided with laptops so that they can utilize all possible e-resources for effective teaching. The SC/ST research scholars and PG Students are provided with laptops under SCP/TSP grants apart from giving them extra books in the library for their studies. The Library has a cyber-lab for online reference of books and journals. Remote access has also been provided for the users to see the online resources in the library from anywhere anytime. Anti-plagiarism software has been installed in the library so that all researchers can check their articles and thesis for plagiarism and improve upon the quality of publications. CCTV cameras have been installed in the entire campus for proper survelliance.
- *Green Initiatives:* Most of the Science department laboratories are converted into modular laboratories by using anti-rust, anti corrosion and other suitable materials for arrangement of equipment in the laboratories. A vermi-compost plant for waste Management has been started to utilize the waste on the campus. A solid waste management plant has been initiated in collaboration with the Zilla

Panchayat to help villages in maintenance of waste. A campus cleaning programme has been started in which all faculty and students are involved in cleaning the campus on third Saturday of every month. Installation of Solar energy systems and Rain water harvesting has been completed. All street lights on the campus are converted to LED lighting so that power can be saved and utilized in a better way.

- *Other Initiatives:* An important initiative of introducing Mangalore University to the International community and bringing International Students to the University for educational purpose. We now have about 140 international students on our campus pursuing study for their UG, PG and PhD degrees.

  The achievers in Sports and Cultural activities from the Alumni of the University are felicitated every year on the Foundation Day. Encouragement is being provided to sports through formulation of sports policy and providing fellowships to sportsmen for higher education. Information Kiosks and Digital Signage boards are installed on the campus and constituent colleges so that students can get information from the University and watch the programmes in the University. Village adoption programmes are initiated under the banner "MANGALA YOJANE" - taking the University to the Village to help villages to develop on all fronts.

g. Welfare measures for SC/ST/OBC/Women/Divyangj and others:

Relevance of the CSEIP Study centre

UGC in its Eleventh Plan Period (2007-2012) for Universities mentioned as Social exclusion not only generates tension, violence and disruption but also perpetuates inequality and deprivation in Society. In India, certain communities such as Scheduled Castes, Scheduled Tribes and religious minorities experience systemic exclusion in the matter of taking advantages of development. Social Exclusion is a complex and multidimensional concept having social, cultural, political and economic ramifications. The consequences of macro-economic policies such as poverty, unemployment and involuntary migration exclude the victims from economic, cultural and political activities. Therefore, the study of such hegemonic structures is all the more important in the Indian context where institutional inequality and discrimination have been a pervasive feature of our society.

Developing teaching Courses for Post-Graduation level, Research Supervision for Ph.D students, undertaking research projects, publication of articles on the issues of social excluded groups and inclusive policies and extension activities and also organising workshops, conferences and seminars etc are the theoretical as well as policy importance.

d. Credit Accumulation and Transfer System after implementation of Choice Based Credit System (CBCS): Admission to International students and students from other states who have not studied under CBCS; lateral entry and admission of diploma students to UG degree course

CBCS Implementation at PG Level:

- The University Grants Commission, New Delhi, has directed all Universities in the country to implement the Choice Based Credit System (CBCS, Semester Scheme) in both the under-graduate and post-graduate programmes and has been issuing a series of guidelines with regard to this. The Higher Education Council, Government of Karnataka, has considered the implementation of CBCS and has organized workshops in this regard. The Choice Based Credit System enables the degrees of Mangalore University to be on par with the global standards.

The Salient Features of the Choice Based Credit System (CBCS) (Semester Scheme):

- Each course in a programme shall carry certain number of credits, which normally represent the weightage of a course and are a function of teaching, learning and evaluation strategies such as number of contact hours, the course content, teaching methodology, learning expectations, etc. In the proposed programmes, the credits shall be based on the number of instructional hours per week, generally 1 credit is equivalent to one hour of instruction in theory, or 1 or 2 hours of tutorial, or one and a half or two hours of practical/field work /project work / internship per week.

The other features of the CBCS (Semester Scheme) are:

- The P. G. degree programmes are structured on credit based semester scheme.
- The relative importance of subjects of study and activities are quantified in terms of credits. Total credit of the programme is between 84 to 92.
- Each programme of study will have "Core" and "Elective" courses. The Core course will further consist of "Hard" and "Soft" core courses. Hard core courses will have 3-5 credits while soft courses will have 3-4 credits.
- Two or more Open elective courses of 3 credits each shall be offered in the II and III semesters by every Department. Open elective will be chosen from other programmes within the faculty or across the faculty.
- The declaration of result is based on the grade point average (GPA) earned towards the end of each semester and the Cumulative Grade Point Average (CGPA) earned towards the end of the programme with corresponding alpha –sign grade.
- Provision has been made for Accumulation of credits if the students have studied in different institutions /Universities by giving them option of leaving out the courses which they have studied earlier and such credits are transferred to their Marks card.
- Any student who has completed the course with a certain number of credits under the MOOC programme is also eligible to get the credits transferred to his mark card issued by our University. Students who have studied in other state (who have not studied CBCS pattern) are allowed to take admission under CBCS by completing the papers /courses which they have studied as per CBCS pattern of our University.
- Provision has been made for the Admission of Diploma holders to III Semester of degree programme is here under;
- A candidate who has passed the three years Polytechnic Diploma Examination as identified by the concerned course / programme Board of Studies and approved by the University may be directly admitted to III Semester of the programme. Such candidates are eligible for grading but not for ranking.
- A Candidate successful at the diploma examination of Secretarial / Commercial practice conducted by the Government of Karnataka may be directly admitted to the III Semester (Second year) B.Com. Degree programme. Such candidates are eligible for grading but not for ranking.

23. Convocation:

a. Distinguished invitee who delivered convocation address and Vice-Chancellors report to the Chancellor.

Padmashri Dr. Sudha Murthy, Chairperson, Infosys Foundation, Bengaluru has delivered the 39th Annual Convocation address in online mode on April 10, 2021.

39th Convocation Welcome address / Vice Chancellor report

Honorary chancellor, Chief Guest Padmashri Dr. Sudha Murthy, Chairperson, Infosys Foundation, Members of the Syndicate and Academic Council, Officers and Staff of the University, Faculty and Students, Parents and Guardians, Heads of management of various institutions, Distinguished invitees, Members of the press and media fraternity, and most importantly, my dear young graduates, Mangalore University was established on September

10, 1980, as an offshoot of the University of Mysore with a dream of becoming a 'University with a difference'. Over the past 41 years, Mangalore University has grown in stature and earned a respectable position among the higher educational institutions in the country. We have achieved greater strides in terms of infrastructure development, the introduction of new academic pro grams, research publications and projects, outreach activities, improved student well-being and learning experiences. We promise to continue and build on the best practices and good traditions established by the previous eight Vice Chancellors and to introduce new initiatives demanded by the changing circumstances and the expectations of our stakeholders. We are marching towards excellence with a philosophy of 'continuity with change'.

We are committed and dedicated to providing student-centric, public-friendly academic and administrative governance with a view to winning the hearts and minds of our internal and external stakeholders. Our teaching faculty members have rendered themselves creditably in their teaching and research activities. We have got a vibrant, active, supportive, registered alumni association called, Mangala Alumni Association (MAA) – the only campus-wide registered alumni association in Karnataka. We adopt a democratic, participative, inclusive and consultative approach in discharging transparency and accountability in governance. The University has a formal mechanism to obtain feedback from students regarding curriculum content, the effectiveness of teaching and evaluation. The University has undertaken quality sustenance and quality enhancement measures such as the inclusion of emerging thrust areas, periodic curriculum revision and introduction of inter-disciplinary and innovative schemes in thrust areas.

The two major developmental focuses that are being effectively implemented include eco-friendly campus and paperless office through e-governance. The University has built international collaborations with many institutions in different countries of the world making this one of the leading universities in India. It is also one of the most preferred universities for higher Education by International students. Currently, over 150 international students from 38 countries are pur suing their higher studies on the campus. Despite the challenges of COVID year, we have| already received 75 applications this year and more are coming in.

The new initiatives that have been successfully brought into action in 2020-21 include the construction of 'Shahid Sthal' as a mark of respect to our martyrs; online-offline-experiential learning support system; outdoor learning centres for promoting learning beyond the four walls; Professorial lecture series by our experienced faculty; experience- sharing sessions by the alumni and industry experts; student-teaching practice; encouraging the students to opt for MOOC un der SWAYAM platform; timely conduct of examinations and timely announcement of error-free results, effective implementation of e-office; revision of syllabi giving more emphasis for practically-oriented learning to make the curriculum responsive to the needs of the society; training the non-teaching staff in soft and technical skills; bringing out of research policy; gender policy and gender champions; new academic programs like M.Sc. in Cyber Security; Establishment of Re search, Development, Consultancy and Patent Cell (RDCPC); and special campus recruitment drive; rejuvenating Cultural museum showcasing the rich heritage of Tulunadu; publication of

academic books through Prasaranga in Kannada, English and Tulu authored by eminent scholars; launching of Office of Research Integrity (ORI) to provide institutional support and structure for creating and sustaining a culture of honesty and ethical research practice; the opening of Swami Vivekananda Study Centre in collaboration with Ramkrishna Mission; launching of innovation facilitation centre under the auspices of The National Research Development Corporation (NRDC); plantation drive of fruit-yielding saplings in and around the campus, conducting of various skill-based training programs under Aatma Nirbhar Bharat Abhiyaan enabling the general public to become self-reliant; Awareness programs in collaboration with local police departments and other institutions to educate students on drugs and other narcotics against victims of ill-treatment and social abuse. Promotion of eligible faculty members under career advancement scheme (CAS), and non-teaching staff based on their seniority; Training and placement cell and Release of the Good Academic Research Practices.

Some of our initiatives reflecting the institutional social responsibility undertaken recently received appreciation from all corners such as village adoption, adopting 10 government schools in the neighbourhood under the Education Reforms – Govt of Karnataka, Construction of Vatsalya Nidhi (Wall of Kindness) a place for charity work encouraging people to donate miscellaneous useful things; construction and maintenance of public restroom facility sponsored by the Bank of Baroda under Corporate Social Responsibility, the mid-day meal scheme for the poorest of poor students on the campus. Our community engagement is guided by the philosophy of 'taking the University to the villages' and the active involvement, support, and commitment of NSS, Youth Red Cross, NGOs and our Study Centres and Chairs.

On the other hand, some of the proposed plans that are in the pipeline to be implemented are outdoor learning center on the campus; setting up of a business lab, centralized language lab and a full-fledged computer lab in each academic block; Establishing Dr. V. S. Acharya Centre for Coastal Development Studies; providing 24x7 ventilated ambulance facility on the campus; Upgradation of solar energy for self-sustaining power supply on the campus. Launching of ***'student adalats'*** in each of the three districts (Kodagu, Udupi and Dakshina Kannada) for direct interaction with students; University-sponsored research fellowships for economically weaker OBC and General Category students; basketball court and swimming pool; twinning programs, faculty & student exchange programs through foreign collaboration; modernizing the University canteen into the food court and providing food at subsidized rate; filling-up of vacant teaching and non-teaching positions; augmenting of internal resources through tapping of CSR funds, alumni support and public-private partnerships. Revising of examination manual and publication; Launching of group insurance for the benefit of the students in case of health and emergency situations; Implementation of zero waste campus management in association with Ramakrishna Mission – Swacch Mangaluru Abhiyan; Sewage treatment plant for the boy's hostel; taking rainwater harvesting to the next level; construction of a building to house the Brahmasri Narayana Guru Study Chair and Pareeksha Bhawana.

The University has over 50 ongoing research projects funded by UGC, BRNS, DST, NPCL, MoES, and ICSSR, etc. The total grants sanctioned for these projects during 2014-20 amounts to over

20 crores (INR 2063 lakhs).As a result of it the University has achieved SCOPUS H-Index of 72 on date. Several departments have entered into MOUs and hosted many researchers from reputed institutions. Under Rashtriya Uchchatar ShikshaAbhiyan (RUSA), a new campus for Advanced Science Research cum PG Centre is being established at Belapu, Udupi District. The centre is intended to carry out need-based research on various local issues with special reference to conservation of Western Ghats species, developing medicine for communicable diseases and using nano-technology for developing devices for cancer treatment. It will also house some teaching departments as a nucleus for a PG centre in the Udupi district in due course.

It is a proud feeling to mention that the University is honoured with the Karnataka Kreeda Poshak Award: 2019-20 by the Department of Youth Empowerment and Sports – Govt of Karnataka, in recognition of promoting sports activities and for producing national and international level sportspersons. The University stands No. 1 among the Indian Universities and 139th position at the global level in the UI Green Metric World Ranking, 2020. The credit goes to all those who have contributed to achieving excellence.

Despite the crucial situation of the COVID-19 pandemic in 2020-21, it is well appreciated that various departments on the campus, PG centres and our constituent colleges have successfully conducted meaningful events, including seminars, conferences, workshops, observing special days, awareness campaign, training and orientation programs, online, offline and in blended mode.

In the critical situation of COVID-19 pandemic, in addition to strictly following the SOPs, the University has taken many initiatives and steps; the most important ones include, constituting a COVID-19 cell in the University for the needful services; conducting COVID-19 testing on camps for university employees and students; extending the technical support with Wenlock District Hospital, Mangaluru for Setting of COVID-19 test lab; distribution of grocery kits to the doorsteps of poor people and daily-wage workers during the lockdown period, distribution of cooked food for stranded 160 labourers at Thokkottu twice a week; extending helping hands with the district administration by providing university hostels to serve as isolation units; submission of an innovative idea for drug development, to the COVID-19 solution challenge – Govt of India; motivational talks and interviews by the Hon'ble Vice Chancellor through FM radio, news channels and face book, during the lockdown period; timely publication of educative articles on COVID-19 for general public; street play performance to create awareness on corona virus and safety measures; Awareness talks by few faculty members; conducting of special examinations across India and abroad; arrangements for far-away students enabling them to attend the examinations in their nearby localities not only within India but also for foreign students outside the countries; participation and giving constructive suggestions in the meetings (online and offline) conducted by the Department of Higher Education – Govt of Karnataka and UGC.

I take this opportunity to present the data of the candidates who have appeared and successfully completed the degrees for the year 2020-21: Doctor of Philosophy 117 (of which ; Faculty of Arts 27, Faculty of Science 63, Faculty of Commerce 14, and, Faculty of Education 13), Out of 5,300

I am proud to inform you that 10 students have been conferred upon with gold medals and 101 students have been conferred with cash prizes for their outstanding academic performance.

In today's 39th Convocation, in view of COVID-19 situation only Ph.D. candidates, Gold Medalists and First Rank holders will receive their degrees in person. 101 cash prizes will be sent through cheque by post to the students. I wish all the students great success and a sense of achievement in all their future endeavours.

Now let me introduce Padmashri awardee Dr. Sudha Murty, Chairperson, Infosys Foundation, Bengaluru, who is going to deliver 39th Annual Convocation address in a short while from now.

Dr. Sudha Murty was born in 1950 in Shiggaon, Haveri District in North Karnataka. She completed her engineering from BVB College of Engineering, obtained 1st rank across all branches and received a gold medal from the Institute of Engineers. She did her ME from Indian Institute of Science with distinction and started her career as an engineer with TELCO (now Tata Motors). Today, she is the chairperson of Infosys Foundation and has handled 16 national disasters in the last 24 years. She studied in a Kannada-medium school till 10th standard and fell in love with the language. Her strong ties to the language and its people led her to establish more than 60,000 libraries in Karnataka. She also strongly believes in creating awareness for social causes and has passionately travelled the world for this purpose including universities and gatherings in USA, Columbia, Kuwait, Saudi Arabia, Pakistan, New Zealand, Australia, England, Thailand, Vietnam, China, Tibet, and Singapore. A prolific writer in English and Kannada, her books have been translated into all major Indian languages and have sold over 30 lakh copies around the country. She is a columnist for English and Kannada dailies with 30 books and more than 200 titles to her credit – including novels, non-fiction, children's books, travelogues, technical books, and memoirs. She has also received nine honorary doctorates. Some of her awards include the R.K. Narayan Award for Literature, the Padma Shri in 2006, the Attimabbe Award from the Government of Karnataka for excellence in Kannada literature in 2011, the Lifetime Achievement by Crossword Book Awards in 2018 and more recently, the Lal Bahadur Shastri National Award for Excellence in 2020. She lives by the belief that "Generosity of a few is hope for millions".

- Dr. Raju Krishna Chalannavar "The anti-mosquito properties of indigenous plants against global threat of Malaria" International Webinar on Role of Technology in Biological and Environmental Science Research Motherhood University, Roorkee, Uttarakhand 14th June 2020
- Prajwal K. & Vishalakshi B. Magnetic nanocomposite hydrogel based on modified kappa-carrageenan for water treatment, International conference on Accelerating Innovations in Material Science held at BMS Institute of Technology and Management, Bengaluru during 4-7th August, 2020.
- Prajwal K. & Vishalakshi B. Hybrid nanocomposite of kappa-carrageenan and magnetite as adsorbent material for water purification, International conference on Creative Research in Chemical Science and Allied Applications held at SDM College, Ujire during 18-19th August, 2020.
- Prajwal K. & Vishalakshi B. Gum acacia-Magnetite nanocomposite for wastewater treatment, International conference on green chemistry for clean environment held at Pacific University, Udaipur, and Rajasthan during 3-4th October, 2020.
- Dr. M.R.Maddani participated as a Resource Person in International webinar on "Recent Trends in Chemical Sciences: Developments and Applications (RTCSDA-2020) organised by Department of Chemistry and IQAC, Poornaprajna College and Postgraduate Centre, Udupi, Karnataka on 09th September, 2020. Title of the Talk: Metal free approach for the oxidative C-H functionalizations: Development of C-X and C-S bonds on electron rich systems.

- Prof.Y.Muniraju, participated in webinar on “Teacher’s Role in NEP Implementation: Awareness Orientation, Challenges & Responses held on 26th February, 2021.
- Prof.Y.Muniraju, Chaired the session at “16th Kannada Vijnana Sammelana” held from 15th, 17th September, 2021 at Mangalore University, Mangalagangothri.
- Prof.Y.Muniraju, participated in the international webinar on “ Commerce trends during Covid 19” organized by Department of Commerce, Mangalore University, Mangalagangothri in association with East on 10th July, 2020.
- Dr.Preethi Keerthi Dsouza, has presented The Pandemic COVID 19: A Curse Or A Blessing In Disguise For Agribusiness (Study Sponsored By ICSSR, New Delhi), International Con ference on Impact of “COVID- 19” On Local And Global Economy and Recovery Strategies Date: 16th And 17th June 2020, Sri Sai Ram Institute Of Management Studies, Chennai, Tamil Nadu, India.
- Dr.Preethi Keerthi Dsouza, “Disquiet and Challenges of Women in Agribusiness: A study with special reference to Betal Leaf Sellers Study” Sponsored by ICSSR, New Delhi), ‘XIV International Conference on Women Leadership and Empowerment’, 23rd July 2020, AVID College, Male, Maldives.
- Dr.Preethi Keerthi Dsouza, participated in “Emergence of Artificial Intelligence In Education”, World Conference on Education on 13th and 14th August 2020, Dr Dada Vaidya College of Education.
- Dr.Preethi Keerthi Dsouza, “Contribution of Women in Agribusiness Towards Rural Development”, ‘Virtual International Conference on Research Outlook, innovations and Research Trends (ICROIRT-2020)’, 29-30 August,2020, (Study Sponsored by ICSSR, New Delhi), University Kebangsaan Malaysia.
- Dr.Preethi Keerthi Dsouza, “Challenges and Disquiet of Women in Agribusiness: A Study on the demand for agric products traded during COVID 19 lockdown Period (STUDY SPONSORED BY ICSSR, NEW DELHI)”, National Level E- Conference on Economy in COVID 19 And Beyond on 8th October, 2020, Centre for Management Studies and Research (MBA), P.A College of Engineering, Mangalore.
- Dr.Preethi Keerthi Dsouza, IPM in jasmine cultivation: a study on Mangalore jasmine in the state of Karnataka, India (study sponsored by ICSSR, New Delhi), National seminar on IPM in field crops: current status and strategies-IPMFCCSS-20 Sponsored by: national bank for agriculture and rural development (NABARD) 23 and 24th October, 2020, Maharishi Markandeshwar University, Haryana.
- Dr. Preethi Keerthi Dsouza, presented “Uncover the unique self”, Capacity building webinar for students, 24.06.2020, S.T.Hindu College, Nagarcoil.
- Dr.Preethi Keerthi Dsouza, Session Chair, International Webinar on Commerce Trends during COVID 19, 10.07.2020, Department of Commerce, Mangalore University.
- Dr.Preethi Keerthi Dsouza, Resource speaker for “Personality Development and Time Management”, ‘Campus to Corporate’, 19.07.2020, St Agnes College, Mangalore.

- Dr.Preethi Keerthi Dsouza, Session Chair in a technical session, XIV International Conference on women leadership and empowerment, 23rd July 2020, AVID College, Male, Maldives.
- Dr.Preethi Keerthi Dsouza, Moderator, International Webinar on Personality Development: Becoming an exceptional Profession, 31.07.2020, Sir Madanlal Group of Institutions, Uttar Pradesh India.
- Dr.Preethi Keerthi Dsouza, presented paper "Disquiet and Challenges of Women in Agribusiness: A Study with Special Reference to Betel Leaf Sellers (Study Sponsored by ICSSR, New Delhi), in the XIV international conference on Women Leadership and Empowerment: held on 23rd July, 2020 at Avid College, male, Maldives.
- Dr.Preethi Keerthi Dsouza, Chaired a Management Session in the XV International Conference on Applied Research in Engineering and management Sciences held on 13th August 2021.
- Dr.Preethi Keerthi Dsouza, participated in world conference on education "Education in the 21st Century a Blended Perspective on 13th and 14th August 2020. At Dr.Dada Vaidya College of Education, Farmagudi Goa.
- Dr.Preethi Keerthi Dsouza, participated in live virtual international conference"International Conference on Research Outlook, Innovations and Research Trends (ICROIRT-2020) on August 29-30, 2020.
- Dr.Preethi Keerthi Dsouza, attended as a resource person in "Being happy on unhappy situation, Mental Health Yathra 2020- " MANO UNATI" a webinar series on Positive Psychology Day 2 on 13-09-2020, Kateel Ashok Pai Memorial College, Shivamogga.
- Dr.Preethi Keerthi Dsouza, attended as a chief guest in "Essence of Being a women, Women's forum Webinar" 10.10.2020, Padua College of Commerce and Management.
- Dr.Preethi Keerthi Dsouza, presented paper " Challenges and Disquiet of Women in Agribusiness A Study on the demand for agric products traded during Covid 19 lockdown period (study sponsored by ICSSR, New Delhi) in the one day national level conference on "Economy in Covid-19 & Beyond", on 8th October, 2020 organized by Centre for Management Studies and Research, P.A.College of Engineering, Mangalore.
- Dr.Preethi Keerthi Dsouza, attended as a speaker in " The Pan-African HR" on 12th -17th October, 2020
- Dr.Preethi Keerthi Dsouza delivered presentation (Oral) on national seminar "IPM in jasmine Cultivation: A Study of Mangalore Jasmine in the State of Karnataka" on 06-07 November, 2020, organized by Maharishi markandeshwar University, Sadopur-Ambala.
- Dr.Preethi Keerthi Dsouza, presented paper " Expedition from white collarto green activity : A Contemporary Survival Tactic of Shifting to Agribusiness During the New Normal" two day international conference on "Innovative Management Practices : Growth to Survival Tactics – Impact of Covid-19" , on 9th and 10th December, 2020, at Nitte Meenakshi Institute of Technology.

- Dr.Preethi Keerthi Dsouza, presented paper “Transition from while collar to green doings : A Shift Witnessed in Agribusiness During Covid 19 (A Study sponsored by ICSSR, New Delhi) on Two day international web conferences on „Women?s Continent?, on 27th and 28th March, 2021, at Department of Commerce, Manonmaniam Sundaranar University, Tirunelvell, Tamilnadu.
- Dr.Preethi Keerthi Dsouza, served as a Session Chair in the Two day International Web Conference on “Women’s Continent” held on 27th and 28th March, 2021 at Department of Commerce, Manonmaniam Sundaranar University, Tirunelvell, Tamilnadu.
- Dr.Preethi Keerthi Dsouza, attended as speaker in Centre for organization leadership and Development and affiliate of International Society for Organization Development and Change, on 24th April 2021.
- Dr.Preethi Keerthi Dsouza, attended as a resource person in AICTE Training and learning (ATAL) Academy online elementary FDP on “Structural Equation Modeling” from 17-05-2021 to 21-05-2021 at Manipal Institute of Management.
- Dr.Preethi Keerthi Dsouza, Chair person in paper presentation track on Two days International E-Conference Revamp Educom 2021 “Mutation Challenges in Commerce & Management Education” held on 23rd and 24th July, 2021.
- Dr.Parameshwara, has delivered a lecture on “General Control Methods in Increasing the Reliability of the Outputs of Computerised Accounting Information System: a Theoretical Perspective”, Government First Grade College of Professionals and Business Management, Karkala Udupi on 19th August 2021.
- Dr. Chandrakala Shenoy K attended The Future of Online Teaching in India - Challenges & Solutions- Faculty Learning Programme webinar organised by Business Standard Learning in association with Great Learning (Learning for Life)- Webinar through Zoom App - July 24, 2020
- Dr. Chandrakala Shenoy K attended National Webinar Programme on “Macronutrient Analysis of Food Systems”- Department of Food Safety and Quality Testing, Indian Institute of Food Processing Technology (IIFPT) (Ministry of Food Processing Industries, Government of India), IIFPT, Thanjavur, Tamil Nadu. 30th July, 2020
- Dr. Chandrakala Shenoy K attended National Webinar Programme on “Identification and Quantification of Pesticide Residues by Chromatography & Tandem Techniques”- Department of Food Safety and Quality Testing, Indian Institute of Food Processing Technology (IIFPT)(Ministry of Food Processing Industries, Government of India) , IIFPT, Thanjavur, Tamil Nadu. 31st August, 2020
- Dr. Chandrakala Shenoy K attended National Webinar on „Academic Delivery and Assessment during Covid Pandemic VIS-À-VIS National Education Policy- Society of Pharmaceutical Sciences and Research (SPSR), On 20th December 2020

- Dr. Chandrakala Shenoy K attended National Webinar on ‘Pharma career voyage: Paving the way ahead’- Society of Pharmaceutical Sciences and Research (SPSR), On 27th December 2020
- Dr. Chandrakala Shenoy K attended National Webinar Series-2020 ‘Advances in Biological Science’ Fourth Lecture on Enzymes for bio-refineries: Addressing technical challenges and limitations- Department of Botany, University of Kerala, Thiruvananthapurum Kerala, India, On 30th December 2020.
- Dr. Chandrakala Shenoy K attended International Webinar on “Physical Activities for Elderly People and other Chronic Diseases” - Department of Physical Education, Mangalore University, On 28th December 2020
- Dr. Prashantha Naik delivered an INVITED LECTURE on Biotechnology - Research and Entrepreneurship Opportunities- One Week Online Faculty Development Programme on Insights on Writing Research Proposals and Funding Opportunities, 20-24 July 2020 at St. Joseph Engineering College, Mangaluru.
- Dr. Monika Sadananda delivered an INVITED LECTURE on POSH Act – Awareness and redressal University College, Mangalore 1 March 2021
- Dr. Monika Sadananda delivered an INVITED LECTURE on Effective restructuring of the curriculum in higher education in accordance with the provisions of NEP – from the Science perspective at Webinar on Teacher?s Role in NEP Implementation – Awareness, Orientation, Challenges and Responses jointly organized by Bharatiya Shikshan Mandal, Niti Ayog and Mangalore University, 26 Feb 2021
- Dr. Monika Sadananda attended One Week Online Workshop on Recent Trends in Statistics Analysis organized by REST Society for Research International, Krishnagiri, Tamil Nadu from 29 March to 03 April 2021
- Dr. Monika Sadananda attended IAN International e-Conference on "Basic and clinical neurosciences: Bridging the gaps" and XXXVIII Annual Meeting of Indian Academy of Neu rosciences, School of Life Sciences, University of Hyderabad, 4-7 October 2020
- Dr. Monika Sadananda attended International Webinar Series on Recent Trends in Neuroscience Research, Kasturba Medical College, Mangalore, 22-24 October 2020
- Dr. Monika Sadananda attended Webinar on Assessment and accreditation process of NAAC, Jamia Millia Islamia, New Delhi, 28 July 2020
- Dr. Monika Sadananda attended Faculty Development Program on Studying gene expression using genomic approaches – Bulk to single cell expression analysis, Reva University, 23-24 July 2020
- Dr. Rajendra R Presented the paper entitled “Peripheral Harary Index of Graphs” Virtual International conference in Discrete Mathematics 2020-21 (VICDM-2020-21) during 8th - 10th February 2021 Dept. of Mathematics, Mangalore University.

- Mr. Bhargava K Presented the paper entitled “On some generalizations of defensive alliances and secure sets in graphs” at the International Conference on Algebra and Discrete Mathematics (ICADM-2020) during June 24-26, 2020 held at Madurai Kamaraj University, Madurai, Tamilnadu (Online mode).
- Mr. Bhargava K presented the paper entitled “An infinite family of tension regular graphs” at the International Conference on Recent Trends in Graph Theory (ICRTGT-2020) during July 27-29, 2020 held at Karnatak University, Dharwad (Online mode).
- Mr. Bhargava K presented the paper entitled “On the concept of stress of a vertex in graphs” at the International Conference on Graph Connections (ICGC-2020) during August 06-08, 2020 held at Bishop Chulaparambil Memorial College, Kottayam, Kerala (Online mode).
- Mr. Bhargava K presented the paper entitled “A note on tension of edges in graphs” at the International Conference on Research Trends in Mathematics (ICRTM-2020) during August 25-26, 2020 organized by Division of Mathematics, School of Advanced Sciences, Vellore Institute of Technology, Chennai (Online Mode).
- Mr. Bhargava K presented the paper entitled “Computation of stress and tension in some standard graphs” at the International Conference on Discrete and Applied Mathematics (ICDAM-2020) during September 18-19, 2020 organized by the Centre for Studies in Discrete Mathematics (CSDM), Vidya Academy of Science and Technology, Thrissur, Kerala in association with Kerala Mathematical Association(KMA) (Online Mode).
- Mr. Bhargava K presented the paper entitled “Tension on edges in some standard graphs” at the National level conference on Industrial Applications of Mathematics and its Developments (IAMD-2020) during March 13-14, 2020 held at Kuvempu University, Shimoga.
- Prof. A. M. Khan, “Data Hiding using Integer Wavelet Transform”, International Conference on Multidisciplinary Innovations in Science & Technology(MIST-2020) (Online Conference), 18th -19th September 2020, Oxford College of Science, Bangalore.
- Prof. A. M. Khan, “How Higher Education can Reboot the Economy”, 7th Edition of E-Conference (Online), 25th July 2020, IFIM Business School, Delhi.
- Dr. Ambresh P A, “Analysis of 8.71ghz Operated Gold Nanoparticles Based Multi-Slotted Patch Antenna Etched on Epoxy Dielectric Material having Broadsided Radiation Characteristics”, International Conference on Nanoelectronics, Nanophotonics, Nanomaterials, Nanobioscience & Nanotechnology (5nano2020) 23rd & 24th April 2020, Department of Electrical & Electronics Engineering, Mangalam College of Engineering, Ettumanoor, Kottayam, Kerala, India.
- Dr. Ambresh P A, “Experimental and Simulation study of Effects in Etched Patch Antenna with Multislots”, International Online Conference on Advances in Computing, Communication and Green Technology 2020 (ICACCG-2020), 30th – 31st July 2020, School of Engineering & Technology, Ansal University, Gurugram, Haryana.

- Dr. Ambresh P A, “Design, Modelling and Experimental Study of GHz Patch Antenna Coated with Conductive layer of Nanomaterial for Enhanced Characteristics with Defected Ground Structure in Communication Network Applications”, 2nd International Conference on Adaptive Computational Intelligence (ICACi-2020), 15th – 16th December 2020 Department of Ece, GSSS Institute of Engineering & Technology for Women, Mysuru, India.
- Dr. Ambresh P A, “Study of Multiple Slot loaded Multiband Microstrip Antenna”, Two days National Conference on Advances in Electronics Computing and Communication, 11th - 12th August 2020, Department of Electronics & Communication Engineering, Sh. Guru Nanak Dev Engineering college, Bidar.
- Dr. Ambresh P A, “Effects of Single and Double Wide Slots on Microstrip Patch Antennas Characteristics using Direct Contact Probe Feed Excitation with Broadsided Radiation”, International Conference on Smart City Convergence – 2020(ICSCC:ICSEC-2020), 20th - 21st March 2020. Department of Electronics & Communication Engineering, Poornima Institute of Engineering & Technology, Sitapur, Jaipur.
- Sandesh Achari, Vinutha P R, Kaliprasad C S, and Narayana Y, “natural radioactivity in soil and associated radiological hazards around thermol power plant at Padubidiri at Udupi district” 21st national conference on solid state nuclear track detectors and there applications (SSNTD-2021), Ramjas college deportment of physics and astrophysics university of Delhi, Jan 29-31, 2021.
- MalleshiKavasara, Vinutha P R, Kaliprasad C S, and Narayana Y, Distribtion of natural radionuclides in the soils and assessment of radiation hazards in the Davanagere district of Karnataka, India, 21st national conference on solid state nuclear track detectors and there applications (SSNTD-2021), Ramjas college deportment of physics and astrophysics university of Delhi, Jan 29-31, 2021.
- Kamalakar V Dawalekar, Vinutha P R, Kaliprasad C S, and Narayana Y, Assessment of outdoor radon concentration in Belagavi district , Karnataka, India, 21st national conference on solid state nuclear track detectors and there applications (SSNTD-2021), Ramjas college deportment of physics and astrophysics university of Delhi, Jan 29-31, 2021.
- Lokesh N , Vinutha P R, Kaliprasad C S, and Narayana Y, Distribution of 210Po and 210Pb in the soils of Dakshinakannada district Karnataka, India, 21st national conference on solid state nuclear track detectors and there applications (SSNTD-2021), Ramjas college deportment of physics and astrophysics university of Delhi, Jan 29-31, 2021.
- MalleshiKavasara, Vinutha P R, Kaliprasad C S, and Narayana Y, Distribution of natural radioactivity levels of soil samples and assessment of radiation hazards in the Davanagere district, Karnataka in India, Third National Conference on Radiation Awareness and Detection in Natural Environment (RADNET- III) H.N.B Garhwal University Campus Badhhahi Thaul, Tehri Garhwal (Uttarkhand), March 18-20, 2021.

- Sandesh Achari, Vinutha P R, Kaliprasad C S, and Narayana Y, Natural radioactivity in rock and associated radiation exposure and radiological hazards in envior of Udip on the south west coast of India, Third National Conference on Radiation Awareness and Detection in Natural Environment (RADNET- III) H.N.B Garhwal University Campus BadhhahiThaul, TehriGarhwal (Uttarkhand), March 18-20, 2021.
- Kamalakar V Dawalekar, Vinutha P R, Kaliprasad C S, and Narayana Y, Studies on natural radioactivity and physico-chemical parameters of soil in Belagavi, India, Third National Conference on Radiation Awareness and Detection in Natural Environment (RADNET- III) H.N.B Garhwal University Campus BadhhahiThaul, TehriGarhwal (Uttarkhand), March 18-20, 2021.

Total number of Conferences/Seminars/Special Lectures organized by the departments with Funding source details:-

- Two Day National Webinar on 'Animal diversity and Conservation' was organised as a part of wildlife week celebration – 2020 between 7th and 8th October 2020. Over 200 participants have interacted during the technical session. Four Technical session on wildlife Conservation were held during these two days.
- 'Mangalore University Campus Bird Count' as a part of 'Great Backyard Bird Count' conducted by 'Bird Count India' since 2015. This year activity was conducted during 12th to 15th February 2021.
- The Department of Chemistry has organized 3 days International Webinar on Frontier Research in Chemical Sciences (FRCS-2020), during 10-12th September, 2020.
- The Department of Chemistry has organized 3 days International Webinar on Prospectives of Entrepreneurship for Chemists (PEC 2020) during 17-19th December, 2020.Funding Source: Rs. 46,910/- (Balance amount of earlier International Conference)
- Organized Late. KSN Adiga Endowment lecture on 19th March, 2021 in 'Shri Shrinivasa Malya Sabhangana' hall in Management Building.
- Skill Development Programme on Presentation Skills in English for Science Students on 23 February, 2021. Resource Person: Dr. Charles V. Furtado, Vice-Principal and IQAC Coordinator, St Aloysius College, Mangalore
- Special Lecture Series on Bioprospecting of Mushrooms and Canavalia for Nutrition from 18-21 November 2020. Resource Person: Dr. K. R. Sridhar, Adjunct Faculty, Mangalore University on the topics Fungal diversity: Significance, conservation and implications; Nutraceutical potential of split beans of wild legume Canavalia; Fungal endophytes and their metabolites; Agroforestry and climate change
- Special lecture program on 19th February 2021 and Mrs. Jennifer Carlo, Asst. Professor, M.Sc. Counseling, School of Social Work, Roshni Nilaya, Mangalore has delivered a lecture on the

topic “Interpersonal Relationship”. This program has funded by the University.

- Prof. K. S. Jayappa Delivered a lecture on “Coastal Zone Management” for the participants of UGC-HRDC, Refresher course in Environmental Sciences held at Goa University on 21.01.2021 Online (duration: 12.01.2021 to 25.01.2021).

Total number of invited/special lectures delivered with details:-

- Prof. Vishalakshi B. delivered invited lecture on The Art of Writing a Scientific Paper in the National level webinar on Scientific Paper Writing conducted by Research Cell, St.Aloysius College, and Mangalore on 23rd June, 2020.
- Prof. G.K. Nagaraja delivered Invited lecture in the five days e-workshop on Advancements in the Molecular World: Materials and Catalysis (AMWMC-2021) organized by the Department of Chemistry, NITK Surathkal during 15-19th February, 2021.
- Prof. G.K. Nagaraja delivered Invited lecture in the Faculty Enrichment Programme on Emerging Fields in Chemical Sciences on the topic “Development of Polymer Nanocomposites using functionalized Halloysite Nanotubes for Biomedical applications” Materials and Catalysis (AMWMC-2021) by online mode organized by the Postgraduate and Research Department of Chemistry, Vivekananda College, Tiruvedakam West, Madurai District during March 22nd, 2021.
- Prof. G.K. Nagaraja delivered Invited lecture on “Dioxygen Transport and storage” in webinar organized by the Department of Chemistry, Siddaganga College, Tumkur during August 23rd, 2021.
- Prof. Kishori Nayak K Invited Lecture on “Women and Literature” at the month long online UGC Refresher Course organised by the Women?s Studies Centre, Cauvery College, Tiruchirapalli, during July 2020.
- Prof. Kishori Nayak K Invited online Lecture on “the Impact of Covid-19 on the Education of the Girl Child” organised by the Osmania University Women?s Studies Centre during July 2020
- Prof. B.K. Sarojini has attended as resource person in the event of one week FDP program organized by the Department of Chemistry, National Institute of Engineering, Mysuru during 23rd to 27th November 2020 and delivered a lecture on the topic “Effective solid waste management strategies for a sustainable future”

26. Invited lectures/key note address by distinguished academicians

a. Nobel Laureates:-
b. Global/ National Award winners:-
c. Eminent personalities from various disciplines:-
d. NRI academicians:-

27. Special events organized:

- 'National Science Day' awareness and training programme was celebrated on 26th and 27th February 2021. Debate competition, painting competition and Molluscan shell exhibition were oraganised. The school children from 5 adopted schools of Mangalore University, faculty, research scholars & students of PG department participated in the events. The programme was supported by UGC-SAP of the department.
- World Environment Day was celebrated on 05.06.2020 in collaboration with Association of British Scholars, Mangalore Chapter (ABS-MC) Mangalore University celebrated World Environment Day 2020 on the theme Celebrate Biodiversity and Campaign Theme Time for Nature on 5th June 2020. Dr. Tharavathy N.C. is the Nodal Officer.

29. Awards and Recognition to the university, faculty and other employees by:

a. Organizations/institutions of global repute

Prof. K. R. Sridhar is among the top 2% scientists in the world in the field of Mycology as per a PLOS One study published by Stanford University in October 2020

b. State/central government and their organizations

Dr. Monika Sadananda is Member, Institutional Stem Cell Research Committee, Nitte deemed to be University, 2020-2021

c. Subject/professional organizations, societies and others

Dr. Monika Sadananda is Member-Executive Committee, Indian Society of Chronobiology 2019-2022

d. Conference/workshops/symposia

1. Dr. Ambresh P A, Best Paper Award-International School of Engineering & Technology, Ansal University, Gurugram, Haryana, 30th – 31st , July 2020.

2. Dr. Ambresh P A, Best Paper Award- International Department of Ece, Gsss Institute of Engi neering & Technology for women, Mysuru, India, 15th – 16th , December 2020.

e. Travel awards by various organizations

f. Awards to accomplishments in sports/performing arts/visual arts/journalism and mass media literary field, NSS/NCC etc

Dr. Prashantha Naik is awarded Most Innovative Education Leadership Award – Biosciences by Dynergic Business Solutions in association with the Federation of Quality Education Council on 10th July 2020

30. Promotion of research culture:

b. MoU signed during the period 01.04.2020 to 31.03.2021.

Dr. P. Dayananda Pai and Sri P. Sathish Pai Yakshagana Study Centre

Director : **Prof. Shripathi Kalluraya**
Research Assistant : Sri. Sathisha A.
Typist : Swathi V. Rao

Year of Establishment: 2009
Source of Corpus Fund : Dr. P. Dayananda Pai & P. Sathish Pai Trust, Bangalore.
Rs. One Crore received as corpus fund

- Dr. P. Dayananda Pai and Sri P. Sathish Pai Yakshagana Study Centre was established in Mangalore University in 2009 for the Study of Yakshagana and its documentation. Yakshagana is a traditional performing art form, a popular theatre prevalent mainly in the Coastal Karnataka with its world acclaimed unique features. In fact, this theatrical art form of Karnataka is a representative art form of our State. With a history of more than eight hundred years, Yakshagana of Coastal Karnataka has developed into a highly harmonious, synthesized theater, comprising components like powerful music, colourful costumes, vigorous dance and extempore dialogues, all in their own distininct style. In addition to its role as a form of artistic entertainment, Yakshagana has been an effective medium of information, value/moral education, especially to the masses. In its structure and performance style it enjoys both classical discipline and folk features.

- It is appropriate that Mangalore University has a centre for the study, dissemination, docu mentation and research of Yakshagana. Dr. P.Dayananda Pai and Sri P. Sathish Pai Trust has endowed a sum of Rupees one crore towards the establishment of Yakshagana Study Centre in Mangalore University. The activities of the centre will cover academic study, documentation, promotion, training, performances and experiments, publications, dissemination and encouragement of various activities and aspects connected with Yakshagana. It is hoped that the academic and utilitarian concern of the university for Yakshagana will serve as an institutional arrangement for the promotion of its richness and pristine beauty.

Objectives of the Centre

- Documentation, preservation, promotion and dissemination of traditional Yakshagana in all its styles (Northern, Southern)and variants (Talamaddale, Aata and Gombeyata) and to dis seminate Yakshagana through the print and Electronic media at local, regional, national and international levels.
- To impart education in Yakshagana, in all its aspects like dance, music etc. to the students interested public with the help of the Yakshagana Gurus.
- To organise performances with stress on academic purposes to propagate Yakshagana among the youth and public and to conduct workshops, lectures demonstrations, experimental performances and interactions with the artists and other schools of related arts like Kathakkali, Therukkutu etc.
- To establish Archives/Museum/Library for study and research on Yakshagana and to organise such activities that will preserve and promote the traditional beauty of Yakshagana so that its distinctive features are identified by the people and continued by them.
- To publish literatures related to Yakshagana and create a comprehensive information base about Yakshagana and to work in collaboration with other institutions, groups and agencies with similar objectives.

Konkani Adhyayana Peeta :

Co-ordinator: Dr. Jayavantha Nayak

Institution to Study Chairs and their functioning:

- Policy Statutory for institution of chairs to leverage quality research output. Konkani Adhyayana Peeta carryout research activity of Konkani literature, culture, heritage etc. as per the objectives mentioned in the statute.
- Amount sanctioned by Government of Karnataka: Rs. 2 Crore

Social relevance of the chair:

Konkani is an Indo-Aryan language. It belongs to the Indo-European family of languages and is spoken in the Konkan coast of India. This region comprises the Konkan division of Maharashtra, Goa, Canara, i.e. coastal Karnataka, and a few pockets in Kerala. Depending upon the region, the language has a different dialect, pronunciation style, vocabulary, tone and significant differences in grammar. Konkani is the official language in the Indian state of Goa and is one of the official languages of India. Konkani does not have a unique script. Konkani is written in a number of scripts. Devanagari is the official script for Konkani in Goa, whereas Roman script is also popular in Goa. Amongst the Konkani population of Karnataka, the Kannada script is used. Malayalam script is used by the Konkani community in Kerala state. Arabic script is used by Konkani Muslims in coastal Maharashtra and Bhatkal taluka of Karnataka. Despite a 5000 year old heritage, encompassing a rich cultural variety perhaps unmatched in diversity in proportion to its population, the Konkani language sadly continues to suffer neglect and faces the threat of extinction. In this context, during the year 2014-15 Government of Karnataka has released a grant of Rs 2 Crore for the establishment of Konkani Adhyayana Peeta in Mangalore University to promote the interest of Konkani language, culture and heritage.

1. Objectives:

- To focus on Genomics of Konkani speaking community to trace their origin and genetic factor for their intellectual ability
- To undertake socio-economic, historical and cultural study of the Konkani speaking people.
- To conduct seminars, workshops and conferences with a special focus on Linguistics, Literature, History, Social Studies and Culture pertaining to Konkani Language and people.
- To study the religious beliefs and practices, folk traditions and performing arts of the Konkani people.
- To explore and record the varied ethnographical and sociological facets of Konkani community.
- To promote inter-disciplinary research in Konkani culture and heritage.
- To foster inter-language studies to promote national integration.
- To establish a network of all Konkani Institutes to leverage resources and conduct programs.
- To attempt fund raising for Konkani language related activities from local philanthropists, and also national and international funding agencies.

- To create an archive to preserve the documents pertaining to Konkani history and culture.
- To promote formal education in Konkani at University level.
- To guide the Ph.D students who undertake research work in the area of Konkani community.

34. Library as a hub of modern teaching-learning-research activities:

UNIVERSITY LIBRARY:

Librarian : Dr. M. Purushothama Gowda.

Introduction:

- The University Library came into existence in the year 1980. Its collections and service

facilities are fairly widespread. It has grown from mere 40,000 collections to 2,20,426 documents. The exterior and interior environment of the library building is aesthetically attractive and user friendly. The total library building area is planned for 9000 sq. meters and planned to build in three phases. Presently, we have occupied the 6250 sq.mts. It accommodates all the sections of the library. The library accommodates 450 readers at a time. The distinguished feature of the library is open access environment with an excellent natural lighting and ventilation. The library has two Xerox Machines. One Xerox machine to take care of the day to day photocopy needs of the library and another to take care of the library user's needs

- In the library a separate collection of NBHM, USIS, Pavanje Chair photo gallery and Prof. B.A. Vivek Rai's Publications are displayed in separate corners i.e. at the Entrance hall, Periodicals, Stack, Text and Kannada section. These publications have been useful to Faculty members and Research Scholars in Science, Social Science and Humanities. A collection of reprints and preprints on popular subjects is also being kept in the library. Display panels in both the gangways, provide information on various issues like – Admission information of various Universities, Appointments, Book Reviews, Do You Know, Faculty Publications, Fellowships, Orientation and Refresher Course details, Today's News etc.

Library Services:

Introduction

- UGC has been assisting the Universities for setting up of Computer Centre since 1990 for research, training and application of computers in every field/subject. Consequently Mangalore University Computer Centre was established in 1990.

- Computer Centre plays a key role in today's knowledge driven society. It provides comprehensive Information Communication technology (ICT) services to Academic/ Administrative departments of the university. Its key services includes providing reliable and available ICT infrastructure comprising of computational services and Internet services. Computer

Centre maintains reasonably good ICT environment and augments the same from time to time as and when needed. It is also geared up to provide uninterrupted IT services to the end users.

- Cyber Lab is a centralized computational facility comprising of 40 desktop system and application software. The Computer Centre is coming up with another centralized Computer Lab of 80 computers to cater the needs of the facility/students.

- The Computer Centre provides internet services through two independent Internet service providers (ISPs). One is through NKN with high speed connection of up to 1 Gbps and the other through 35 Mbps leased line from BSNL. Entire campus is configured as a set of Virtual Local area networks (VLAN). The connectivity within the department is extended through CAT5/.CAT6 UTP cabling, while connectivity across the building is established through OFC backbone. Core switch at the Computer Centre provides high speed switching required across the campus network. The switch in the Department/Office/Building is used to provide wired connectivity to class rooms / faculty rooms / Labs etc. The internet access is made available to all users through wired Ethernet outlets and Campus wide Wi-Fi (Wireless) facility for authentic users.

Operation and Maintenance

- Extended Computer Annual Maintenance Service for a period of monthly maintenance basis, on pro-rate basis at the rate of Rs 82,163/-per month.
- Co-ordination for Annual Maintenance Contract for networking items in the campus at a cost of Rs. 8, 37,800=00.
- Co-ordination for Annual Maintenance Contract for Wi-Fi networking in the campus at a cost of Rs. 8, 26,000=00.
- Maintenance of university website - www.mangaloreuniversity.ac.in by updating the contents from time to time.
- Co-ordinated the procurement of purchase of toner Cartridges for Laser under rate contract purchase. 109 cartridges worth Rs.5,91,546/- were purchased for the year 2020.21
- Maintenance of in-house mail server – mail.mangaloreuniversity.ac.in.
- Extended use of Internet services by providing 182 LAN I/O points to the following departments/ offices at total cost of Rs. 6,62,756/-, under rate contract scheme.

Facilities

- **Computational Facilities:** Computer Centre houses mail server and web server, to provide ICT services. These servers are connected to clients in cyber lab and other PG Departments/ offices/centres. Campus network on OFC interconnects all computers systems in one logical network facilitating services to be utilized from any server on the network. The overall campus network diagram is as shown in Fig.1. Central servers and network services are available round the clock on 24x7 basis.
- **Cyber Lab Facility:** Cyber lab is the facility made available to all users. It houses 40 desktop

systems with internet connectivity. It also has adequate peripherals such as printers, scanners. Cyber lab is operational from 9.00 AM to 7.00 PM on all working days. Cyber lab utilisation for the year under report is shown in Fig 2

- **New Central Computer Lab:** A central computer lab facility was established during January 2021. The lab contains 80 desktops of various configuration which can be used for the research, lab practical and web browsing. Around 50 desktops were installed by assembling the parts available in the disposed desktops. Hence saving an approximate amount of 20 Lakhs. This Lab is now the major central computer lab available for all the departments of the university. Central computer lab is operational from 10.00 AM to 5.30 PM on all working dayes.
- **E-mail Facility:** Computer Centre hosts in-house mail server with domain mail. Mangaloreuniversity.ac.in. Web based mail services are available on independent server with open source mailing solution.
- **Internet facility:** Internet communication is the lifeline in todays connected digital world. University provides Internet facility through two services providers viz NKN and BSNL. NKN provides full text access to scholarly journals on a 1 Gbps leased line. BSNL provides additional separate 35 Mbps leased line. Gateway level appliance provides firewall services, anti spam, anti-virus intrusion detection and content filtering services. This ensures secure and safe internet experience to all users. Internet access is available at all departments/offices round the clock on 24X7 basis.
- **IP Phone facility:** The Computer Centre also houses the IPPBX appliance (Cisco be3000) to provide VoIP services through IP phones.
- **Wi-Fi Facility:** The solution consists of central controller and access points distributed across the campus. The access points confirm to the IEEE standard 802.11 ac, which ensures ideal data transfer speed of 1300Mbps. There are 190 indoor access points deployed to give coverage within the buildings on the campus and 10 outdoor access points to give coverage in open spaces outside the buildings. All the access points are controlled by central WLAN controller. This controller controls major functions of access points such as authentication, encryption, quality of service etc. This also acts as management console to configure the access points by the administrator. We have provided a redundant controller to ensure high availability, in the event of failure of main controller. Security is the major concern in Wi-Fi usage. We have ensured adequate security – both for connectivity to Wi-Fi network and to the data transferred over the air. The user is allowed to access only through the registered mobile device, where MAC id of the device shall be the identifying feature. Additionally user has to authenticate using the user name and password assigned to him.
- **CCTV Surveillance System:** Closed-circuit television (CCTV) also known as video surveillance, is the use of video cameras to transmit a signal to a specific place, on a limited set of monitors. CCTV camera systems have one or more cameras which are used to send video, images and audio data to a monitor. Essentially, these camera systems use cameras to transmit the signals to a main hub which then records that data for later viewing or live viewing, if you have full time

security personnel on the premises. There are totally 147 cameras of different types installed in the Campus, covering most of the area of the University. An expert engineer is available in the campus for maintaining the setup. The total setup is being maintained by AMC Contract which will be renewed every year through government e-procurement procedure. The setup has a capacity of storing the footage for the period of recent past 30 days of recording. Which can be viewed or the footage of particular time slot can be copied separately if require. The separate networking setup including the network tower, wireless RF based connectivity has been established for the CCTV and Surveillance System, hence it is not affecting the regular internet of the campus. The main control of the entire setup is hosted in the Computer Centre.

Services

The Computer Centre extends its services in the following areas:

- Software Development and / Implementation
- Technical Consultancy Services for Hardware, Software procurment and deployment
- Computer Training Programs as and when needed
- Data Processing
- Major Services extended include
    - o AMC services for computers and peripherals on the campus(Fig 3)
    - o Procurement of purchase of toner cartridges for laser and Inkjet printers(Rate Contract)
    - o AMC services for networking devices and IPPBX appliance
    - o Providing network related services on rate contract basis
    - o Providing internet services from two independent service providers
    - o Operation and maintenance of cyber lab.
    - o Providing Wi-Fi Campus Networking.
    - o Providing CCTV Surveillance System.

- **Data Processing:** Mr. Manohara M Goranakolla, Mr.Vijay G participated in various stages of software development / implementations such as analysis, programming, data entry and data processing activities related to Finance office, Registrar's office and Registrar (Evaluation) of Mangalore University.

- **Software Development and Maintenance:** The computer center is also involved in software development based on university requirements. During year 2020-21. The computer center developed and maintain the following software at the university campus.
    - Student Feedback System
    - Faculty Feedback System
    - Grievance Address System
    - AMC of Computers Call Report System
    - Guest Faculty Recruitment System

- Online Classes, Meeting and Conferences: During the pandemic period the online teaching was the major aspect for continuing the academic work. Hence the computer centre procured and provided WebEx licensees to each department and constituent colleges of the university. Conducted two training programs on using the WebEx. The centre was also involved in successfully conducting Online Video Conferences and Online Meetings.
- Implementation of Software's /Applications provided by Government: Computer Centre is actively involved in the implementation of the software's / applications provided by government such as: UUCMS, HRMS, e-Office, NAD, SSP, Online Affiliations

47. Special initiatives on which university proposes to leverage quality of educational services

48. Any other information to showcase the achievements of the university

49. Vice Chancellor's Views

The University has seen a study progress during the year 2020-21 and also opened up many avenues for strengthening the University activities to take the University towards excellence in higher education and research. In the coming years the University has plans to take up initiatives to automate the governance procedures and bring transparency in the administration. The University has also taken up initiatives to promote awareness about environmental protection, rain water harvesting and planting of trees. The University aims to build an eco-friendly campus and has taken some steps towards this by making the campus a plastic fee campus and carrying out Swachhata Abhiyan every month as well as planting of trees by the students. To sum up, the University has been working towards providing the best to all its stake holders apart from academics and research activities.
