

Report of CRS Training

The Programme MBA-TTM under Dept. of Business Administration organized 4 day CRS/ GDS training for the 1st & 2nd year students of the programme. It is a software based practical training in order to impart the students the knowledge of using software (Amadeus & Galileo) which is used globally by various travel service providers. It has been organized from 20th to 23rd August 2022 at the Computer Lab located in the Lecture Complex of Mangalore University. The training was given by Haysans Academy (Accredited by Binary University, Malaysia) Bangalore. It was a 4 day full training which included theoretical and practical sessions. There were two resource persons for providing quality training to our students. The training sessions commenced by an inauguration at 10 AM on 20th August and ended by a valedictory event on 23rd August. All 50 students participated for training were given certificates which would enrich their employment potentials in future career. The department whole heartedly thank Mangalore University and the entire staff of the department for their support and cooperation in the success of the programme.
