

MANGALORE UNIVERSITY

DEPARTMENT OF MICROBIOLOGY

Sl. No.	Name of the student	Register number	Title of the project	Name of the Guide
1.	APARNA K	203111400102	Characterization of Endophytic Bacteria from Epiphytic Orchids.	Prof. M. Jayashankar
2.	CHANDINI I MOGER	203111400105	Screening of Biological Effectiveness of Endophytic Fungi associated with <i>Ocimum</i> Plant Species.	
3.	CHETHANDAS K G	203111400106	Isolation of Endophytic Fungi from Piper Beetle and it's Biological Activity	
4.	GANESH N S	203111400109	Isolation and Characterization of Endophytic Bacteria Associated with <i>Ocimum</i> Plant species and their Biomedical Application.	
5.	KEERTHANKUMAR K	203111400115	Screening of Biological Effectiveness and Characterization of Endophytic Bacteria from <i>Piper betle</i> .	
6.	VAMSHIKA M T	203111400128	Endophytic Fungi Associated with Epiphytic Orchids and their Biological Activities.	
7.	C L SUBRAMANI	203111400103	Screening for Industrial Important Enzymes from Mangrove Soil Actinomycetes.	Dr. I. K. Manjula
8.	CHAITHRASHREE	203111400104	Isolation and Characterization of Probiotic Bacteria from Wild Fruits.	
9.	HULIGESHA V	203111400112	Isolation and Studies on Marine Fungi.	
10.	KAVYA H R	203111400114	Isolation and Characterization of Endophytic Bacteria from <i>Cassia tora</i> .	
11.	NITHESH S SHETTY	203111400120	Comparative Study of Oyster Mushroom (<i>Pleurotusulmarius</i>) Cultivation by Physical and Chemical Method of Sterilization using Different Substrates.	
12.	POOJA K P	203111400124	Isolation and Characterization of Actinomycetes from Compost Soil.	
13.	SHWETHA G B	203111400125	Isolation and Characterization of	

			Endophytic Bacteria from <i>Muntingiacalabura</i> .	
14.	THEJASWINI B R	203111400127	Isolation and Growth Standardization of Probiotic Bacteria.	
15.	YASHODHA B BETAGERI	203111400132	Isolation and Characterization of Endophytic Bacteria from <i>Musa acuminata</i>	
16.	AMALA VIPIN	203111400101	Antimicrobial Potential of Different Extracts of <i>Mimosa pudica</i> plants	Dr. B S Gunashree
17.	DISHA	203111400108	Effect of Different Carbon Source on Volatile Fatty Acid Production by Lactic Acid Bacterial Strains.	
18.	POOJA D M	203111400123	Effect of Microbial Fermentation on the Polysaccharide of <i>Tamarindus indica</i> Seeds	
19.	NAIRUTHYA K V	203111400118	Isolation and Screening of Tannase Producing Fungi Strains from Different Sources.	
20.	MOKSHITHA K V	203111400116	Antioxidant and Antimicrobial Potential of Raw and Fermented Sesame Seed.	
21.	PAAVANA K S	203111400122	Solid State Fermentation for Tannase Production by <i>Aspergillus niger</i> using various Substrates.	
22.	MONIKA K R	203111400117	<i>Cystobasidium minutum</i> Secondary Metabolites Production using Various Agro Industrial Wastes.	Dr. B S Gunashree
23.	SRUJANA P L	203111400126	Avocado Seed Extract: An Alternate Treatment for Skin Infections in Human and Domestic Animals	
24.	DEEPIKA K P	203111400107	Antibacterial Studies of <i>Colocasia esculenta</i> on Food Borne Pathogens.	Dr. A. K. Vinu
25.	K K ASHRITHA	203111400113	A Comparative Study of Physicochemical and Microbial Parameters of Wine Prepared from Different Sample.	
26.	NIDHI V PRABHU	203111400119	Evaluation of Coffee Endophytes for Bioremediation of Heavy Metals and Antimicrobial Activity.	
27.	NYZIL WILSON PINTO	203111400121	A Study on Growth Promoting Factors of Free Nitrogen Fixing Bacteria.	
28.	VARSHINI B H	203111400129	Microbial and Nutritional Quality of Oyster Mushroom Cultivation	

			on Different Agrowaste Through SSF.	
29.	VIDYASHARADA M	203111400131	Study on Pigment Producing Yeast from Different Natural Samples.	
30.	GREESHMA GANGAMMA K K	203111400110	Comparative Study of <i>Lantana</i> Species by Phytochemical Analysis and Antimicrobial Activity	Ms. Rakshitha M P
31.	HIMA P H	203111400111	Study on Phytochemical analysis, Antimicrobial and Biofertilizer Activity of Azolla.	
32.	VASUDHA S BHAT	203111400130	Screening of Cellulase Producing Bacteria and its Biodegradation Analysis	

B. Gunasheela 5/5
Chairperson 17/05/2023
CHAIRMAN

Department of Microbiology
Mangalore University Post Graduate Centre
Chikka Alovara-571232, Kodagu, India
