Title: TWO DAYS NATIONAL CONFERENCE ON “INTEGRATED MICROBIAL TECHNOLOGY FOR SUSTAINABLE FUTURE (IMTSF-2022)”

REPORT

Two days national conference on “INTEGRATED MICROBIAL TECHNOLOGY FOR SUSTAINABLE FUTURE (IMTSF-2022)” was organized in the Department of Studies and Research in Microbiology, Mangalore University Jnana Kaveri Post Graduate Centre, Chikka Aluvara, Kodagu- 571232 between 7th and 8th of July 2022. The Conference was conducted through hybrid mode (online and offline).

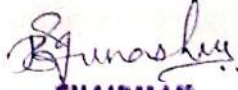

The conference was started with an inaugural function in the forenoon of 7th July 2022 with the gracious message of Hon'ble Vice Chancellor of Mangalore University **Prof. P. Subramanya Yadapadithaya**. During the inauguration **Prof. Dayanand Agsar**, Hon'ble Vice Chancellor, Gulbarga University, **Prof. K. Muthuchellian**, Former Vice Chancellor, Periyar University, **Prof. M. Jayashankar**, Organizing Secretary and Professor, **Dr B.S Gunashree**, Chairperson, **Dr I.K Manjula** and **Dr B.S Srinath**, Department of Studies and Research in Microbiology, Mangalore University Jnana Kaveri Post Graduate Centre, Chikka Aluvara, Kodagu- 571232 were present.

Prof. Dayanand Agsar delivered a keynote talk on the topic “Microbial Diversity, Technology and Bioactive Molecules for Human Welfare”.

Followed by Keynote address technical session was started with a talk by **Dr Jayakumaran Nair** from Department of Biotechnology, University of Kerala on the topic entitled “Microbial Biotechnology: The Perfect Blend for Sustainable Development”.

Next Speaker was **Dr Parli Venkatesawaran Bhaskar** Scientist E, NCPOR, Goa who joined us through online to share his knowledge on “Polar Microbiology- Insights into Environmental Microbiology and Biotechnology”.

Later in the afternoon delegates from various institutions did oral and poster presentations through online as well as offline mode.
