CIRCULAR

Subject: Establishing Anti Human Trafficking Clubs in Colleges & Universities of the State.

This letter is in reference to the proposal received in the Office of the Chief Secretary, Government of Karnataka, as on 23.11.2020 sent by Mr William Christopher, Associate Director, IJM, Bengaluru for Establishing Anti Human Trafficking Clubs in Colleges & Universities of the State.

Human Trafficking is an atrocious crime and has been prohibited under the Article 23 of the Constitution of India. It is an undisguised violation of human dignity and debasement of the inherent worth of human being. The government, citizenry and civil society must come together to fight against this crime to protect many lives.

6EN
The role of our younger generation is significant in this context. The youth have a considerable social influence to bring about remarkable changes in Anti-Human Trafficking Works. The AHTC's will provide a unique platform for students in colleges to understand the issue, disseminate information, raise awareness and prevent human trafficking in their communities/surroundings. It is also unique because it allows students to engage proactively with government bodies, police and local NGO's.

The AHTC's have been successfully launched and operating with high impact in Colleges across Kerala State and initiated in Colleges across Tamil Nadu State.

28/7/2021
College Principals/Heads/Vice-Chancellors of Universities are hereby requested to make necessary arrangements and provide support for establishing AHTC's in their respective colleges and Universities. For this purpose, the Social Work Department, Law Department, Sociology or the NSS (whichever is applicable) may be assigned primary responsibility.

For further details on AHTC's and their functioning, please refer the attached Concept Note.
