INTERNAL QUALITY ASSURANCE CELL

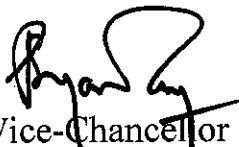

Minutes of the NAAC Steering Committee meeting held on 22/11/2019 at 3.00 pm.

The Hon'ble Vice Chancellor welcomed all the members present. The presentation by Prof. Y. Narayan, **Criterion - 5** regarding student support and progression was taken up. The deficiency in data availability was highlighted. It was urged that all departments and faculty need to be proactive in gathering information about student progression/placement. It was also decided to seek additional information from DSW on the awards won by the students in cultural events. Also, the Registrar should make available information about measures taken for redressal of sexual harassment complaints received.

The presentation of Criterion - 7 by Prof. P. L. Dharma was next taken up. While the first part of the criterion has been comparatively easy to comply with, the latter part still needs some work. The code of conduct handbook is being revised and must be handed over. The best practices and general descriptions are also yet to be drafted, and some brainstorming as to the same was done.

The meeting ended with expression of thanks by the IQAC Director.
