## Department of Political Science

(Syllabus for Ph.D Course work, 2015-16)

### Paper – II. Review of Literature

Total Marks: 200

(Review report 150 marks+ Viva 50 marks)

Hours of Instructions: 3/Week

#### Course Rationale:

1. To equip the Researchers with the in-depth understanding of the research area
2. To enable the researcher to comprehend the nuances of the issues in the materials available in his/her research area
3. To instill critical reflection on the subject area by the researcher

In this paper the Review report submitted by the researcher will be evaluated, among others, with due consideration to the following aspects highlighted in the report;

- Significance of the area
- Selection of literature/materials
- Identification of specific area of research
- Delineation of different aspects of research area
- Formulation of research questions and critical reflection
- Methodological requirement of research writing

There shall also be a Viva towards the end of course work in which the researchers' ability to handle ideas and abstractions, knowledge about the subject area, analytical and presentation skills, critical reflections among others will be assessed.
