Agenda 5: Any Other Matter:

The application of Dr. GERALYN PINTO to be recognized as Ph.D Guide

The Committee scrutinized the application for recognition as Ph.D Guide of Dr. GERALYN PINTO. It noted that creative publications such as poetry and short stories cannot be considered for recognition as guide as they do not constitute scholarly research activity as defined by the UGC. With regard to research articles submitted by the candidate, the committee felt that most of them are local/in-house publications in nature and there are no articles in "refereed/ reputed journals" as required by the statute. The candidate is therefore advised to re-apply after appropriate action with a detailed resume.
