The University has over 50 ongoing research projects and the total grants received for these projects amount to over 25 crores. The University has achieved ECOP3A, index of 81 in 2022. The University is featured with the Karnataka Rankings (2018-22) in placed 160/200 in the country among Indian Universities in the 15th Globalization World University Rankings, 2022, and placed in Rank-band 101-150 in NIRF Rankings, 2022. The University has established about 14 Endowment Chairs and Study Centres to advance development in various areas of strengths linked with society. Over the past 43 years, Mangalore University has grown and earned a reputation among HEIs in the country and is keeping ahead with the philosophy 'continuity with change'. About the IQAC In pursuance of the National Action plan of NAAC for performance evaluation, assessment, accreditation and quality upgradation of institutions of higher education, the IQAC was established in the year 2013. As per the spirit of NAAC guidelines, the IQAC has been striving for internalization and institutionalization of quality enhancement. It is working as a facilitative volunteer centre of the University. Once the first six years IQAC has contributed significantly to assess the performance and submission of AQARs. Accreditation, India's National International Ranking, Online collection of Stakeholder Feedback, Internal promotion such as CRI, Foreigner studies Centre, Internationalization for Transforming Institutions (I2TI), etc., knowledge display Journal, Review, Survey, Assessment, Programmes, Quality Skills enhancement, workshops, Professional Capacity Development Programmes, etc. About the Workshop NAAC Bring and becoming an accredited institution through national/internationally recognized accreditation and ranking bodies is the order of the day. Institutions such as students and prospective faculty and also Govt. and non-Govt. funding agencies look to those to guide their decisions on application and award of grants for research and other administrative development. This can be achieved only through a comprehensive process involving policy implementation, assessment, evaluation of a quality culture working of institutions like education, faculty resources, student, self-review mechanism, etc. NIRF The National Institutional Ranking Framework (NIRF) reflects a methodology to rank institutions across the country. The parameters considered for Ranking broadly cover "Teaching, Learning and Research", "Research and Professional Practice", "Graduation Outcomes", "Outreach and Inclusivity", and "Perceptual". Towards the main objective of the workshop are: • To internalize the concepts of quality in academia, research and administration • To practice quality measures in all or in NAAC, NIRF and Internal • To institutionalize one practice for globalisation of education Topics Covered • NAAC Based Accreditation Framework • Criteria-wise Metrics • Accreditation vs Ranking • Research and Publication Metrics • Graduate Based mechanisms • Quality measures • Best practices • NIRF Ranking Parameters Who may participate?
